GOVERNOR'S BUDGET FOR SUNY HIKES TUITION, ROOM RENT

Governor Cuomo's Executive Budget for 1984-85 proposes an operating budget for the College totaling \$21.4 million. It appears that there are no cuts in personnel. However, college officials have not received a copy of the budget document and are not able to comment in detail.

President Burke has scheduled a faculty meeting for Wednesday, January 25, at 4 p.m. to present a detailed analysis of the budget.

It is known, however, that the budget:

- Includes a tuition increase of \$200 for New York State students, bringing tuition costs for them to \$1,550 a year.
- Increases room rent by \$150, to \$1,550 a year.
- Raises tuition for out-of-state students by \$500, to \$3,600 a year.

FACULTY MEETING SET FOR JANUARY 25 IN HAWKINS HALL AUDITORIUM

President Burke has called a faculty meeting for 4 p.m. on Wednesday, January 25 in Hawkins Hall Auditorium. Agenda items will be the Governor's 1984-85 Budget Request and the faculty referendum on deletion of the integrative component from the General Education Program.

President Announces Admissions Reorganization

President Burke has announced a reorganization of the college's Admissions Office, which is effective immediately. Janet M. Edwards, who has been serving as acting director of admissions, has been appointed assistant to the president for enrollment management. Richard J. Higgins has been promoted to director of admissions and Michael J. Walsh has been named associate director of admissions. The new structure, according to Burke, is intended to consolidate the areas of retention and recruitment in one office. "It allows us to give closer attention and support to the vital recruitment and retention efforts which cut across departmental and divisional lines of responsibility," Burke said. "It also emphasizes our commitment to maintaining an appropriate level and quality of student enrollments during the next decade."

Edwards

Higgins

Walsh

In her new position, Edwards will chair an enrollment strategies committee, continue in her role as convener of the executive committee of the retention network and be responsible for the operation of the admissions office. Higgins will directly supervise the admissions office and Walsh, in addition to his duties as associate director, will continue to focus on the recruitment and enrollment of transfer students.

MCLELLAN HISTORICAL COLLECTION, APPRAISED AT \$128,000, DONATED TO FOUNDATION

The collections and correspondence of three generations of local historians, appraised at more than \$128,000, have been added to the North Country Collection of Plattsburgh State's Feinberg Library as a result of a gift to the Plattsburgh College Foundation. The gift, totaling more than 111,000 items, was made by Mrs. C. W. McLellan of Champlain and encompassed the papers of Charles Woodberry McLellan (1836-1918), Hugh McLellan (1874-1958), and Charles Woodberry McLellan III (1907-1983). The McLellans collected local history material from the early settlers of the 1770's, through the various history pamphlets published during the bicentennial a few years ago.

Plattsburgh State President Joseph C. Burke expressed his deep appreciation for the gift from Mrs. McLellan, saying, "We're very pleased that Mrs. McLellan has chosen the College Foundation and the Feinberg Library's North Country Collection as a repository for her family's collections and correspondence. Gifts of this one-of-a-kind nature help to distinguish our institution from others."

Robert Burton, director of libraries at the College, commented, "This is a wonderful gift for our library. A gift such as this benefits not only our students, but the entire community by giving everyone access to these original historical records. In addition, Mrs. McLellan has guaranteed that the records of these three gentlemen will be properly cared for and preserved for future generations."

The collection covers the founding of the northern New York area, with personal correspondence, legal and official documents, diaries, business, town, political and church records. Materials on both 19th and 20th century Clinton County, northern Vermont and southern Canada are included as well as extensive information on genealogy and local cemetery records. The McLellan Collection is now housed in the Special Collections area of the Feinberg Library.

FACULTY TO VOTE ON INTEGRATIVE COMPONENT

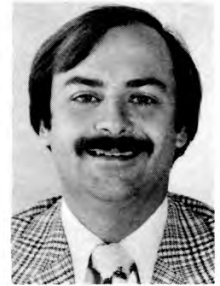

Within the next few weeks, members of the faculty will vote on whether to delete the integrative component from the College's General Education program. The vote is the result of a petition signed by approximately 70 members of the voting faculty. According to the procedure set by Faculty Senate by-laws, the question — Should the integrative component be deleted from the College General Education Program — is currently being circulated to the voting faculty. A meeting of the faculty on the question will be held at 4 p.m. on Wednesday, January 25 in Hawkins Hall Large Auditorium and balloting on the issue will take place within the week following the meeting.

FORTNER AWARDED FACULTY ENRICHMENT GRANT BY CANADIAN GOVERNMENT

Dr. Robert Fortner, assistant professor of communications, has been awarded a Faculty Enrichment Grant by the Government of Canada. The grant will fund the development of a new Canadian content course which focuses on communications in that country. According to Dr. Richard Beach, director of the Center for the Study of Canada, Fortner's application received one of the highest ratings of the more than 150 applications this year. This marks the fifth consecutive year that a Plattsburgh State faculty member has received one of these grants. Within those five years, nine applications have been submitted from this campus and all nine have been funded, Beach said, which is a record unmatched in the United States.

Beach added that the Faculty Enrichment Grants are intended to further development of new courses on Canada. All eight of the earlier award winners are now offering new courses developed through the program. "These new courses," he said, "have definitely helped to solidify our position as the premier undergraduate Canadian Studies program in the country."

Earlier winners of the Faculty Enrichment Grants are Dr. Philip DeVita, Dr. Malcolm Fairweather, Dr. Bruce Butterfield, Dr. Fritz Kissner, Dr. Jeanne Kissner, Dr. Edwin Hamblet, Dr. Ralph Hunkins, and Dr. Martin Lubin.

'1984' SYMPOSIA TO BEGIN WITH APPEARANCE OF MURRAY BOOKCHIN

The college is sponsoring a series of symposia this spring to consider the issues raised in the book 1984. Each month, one general theme will be considered, with guest appearances on campus by several different lecturers through the Distinguished Visiting Professor program. The first speaker will be Murray Bookchin, director emeritus of the Institute of Social Ecology and professor emeritus of Ramapo College of New Jersey. Bookchin will lecture at 8 p.m. on January 24 in CL 200 on "How Long Until 1984?" and will be available to visit classes and seminars between the 24th and the 26th. To make arrangements, contact Dr. David Mowry.

SUMMER MUSICAL THEATRE WORKSHOP TO CULMINATE IN 12 PERFORMANCES OF 'PIPPIN'

Plattsburgh State's Center for Art, Music and Theatre will offer a new Summer Musical Theatre Workshop next July, Center Director Richard Probert announced last week. The month-long workshop program will couple an intense period of study with twelve performances of the hit Broadway musical "Pippin."

The Workshop faculty will include well-known Broadway and television performers Dona Vaughn and Dean Hill, and Mitchell Weiss, assistant to the general manager of the New York Shakespear Festival. In addition to their instructional duties, Vaughn and Hill will be cast members of "Pippin" and Weiss will direct the production.

Center staff members Dr. Timothy Palkovic, Mitch Fore, Dr. Alan Frank, and Herman Matlock will also assist with both the instructional and the performing aspects of the workshop.

Acceptance in the workshop will be by audition. Auditions will be held on April 28 in New York City and on May 5 in Plattsburgh. Anyone who cannot attend one of the two auditions may submit a videotape to the workshop faculty.

More detailed information on the workshop is available at the Plattsburgh State Center for Art, Music and Theatre (518-564-2180).

ART EXHIBITS OPEN SPRING SEMESTER

Three art exhibits and a special viewing of a portrait of Judge Jonas Platt opened this past weekend on campus. An exhibition of 23 paintings and 17 drawings produced by William E. Robbins, associate professor in the Center for Art, Music and Theatre, during his sabbatical leave in 1982-83, opened in the Myers Fine Arts Gallery. Except for one self-portrait, the paintings and drawings are landscapes in Iowa, Virginia and Peru, NY.

A portrait of Judge Jonas Platt, painted by Samuel F.B. Morse in the early 1800's, is on loan from the estate of Mrs. Gertrude Savage for viewing by the college and community. The painting is on display in the Rockwell Kent Gallery Treasury Room. Mrs. Savage was the widow of John Platt Myers, for whom the Myers Fine Arts Building is named.

"Mostly Manhattan Manhole Covers" can be seen in the Rockwell Kent Gallery Alcove. The exhibition contains more than 50 photographs and etchings of New York manhole covers, documented as to site, company, institution and maker.

A small exhibition of photographs and sculpture drawn from the archives of student work is on display in the Myers Fine Arts Lobby. All exhibits will run through February 5.

COLLEGE FOUNDATION TO HOLD ANNUAL MEETING JANUARY 26

The Plattsburgh College Foundation will hold its annual meeting at 4 p.m. on Thursday, January 26 in the College Center Cardinal Lounge. At that time, the results of the 1983 Annual Giving Campaign will be announced and the Annual Report will be released. In addition, thirteen new members will be welcomed. New community members include John Barnes, Barbara Benjamin, Andrew Breen, Michael Busher, Claude Clark, Janet Duprey, Donald Kasprzak, Nicholas Pope, and Paula Woolman. New alumni members are Terry Meron and Robert Walllett. New student members are Christine Sloben and Richard Smitherman. The new members bring total membership in the corporation to 126.

STRAY CATS TO PLAY FEBRUARY 3 IN FIELD HOUSE

The Stray Cats will come roaring into the Plattsburgh State Field House Friday, February 3, at 8 p.m. The Cats have taken their "rockabilly" sound to the top of the United States music charts several times during the two-year U.S. career. Tickets are on sale at the College Center desk at \$7 for Student Association members and \$10 public. The concert is sponsored by the Plattsburgh State Concert Committee and the Student Association.

CHORAL ARTS SOCIETY OF NORTHEASTERN NEW YORK PERFORM HAYDN MASS

The Choral Arts Society of Northeastern New York has announced plans to perform the "Haydn Mass in B Flat (Theresienmesse)" on April 14. Rehearsals will begin on Monday, January 23 at 7 p.m. in the Myers Fine Arts Building and new members are welcome. No auditions are necessary. Director Richard Probert said, "This is an exciting and demanding work requiring a solid chorus, four soloists and a chamber orchestra." Auditions for soloists will be held Wednesday, February 8 from 7 - 9 p.m. in Myers room 324. Singers are asked to prepare selections from the work. An accompanist will be provided and soloists will receive a nominal fee.

A board of directors for the society has been formed and is co-chaired by Helen Kho of Rouses Point and Ellen Daley of Peru. Other members are Barbara Sweet of Chazy; Barbara Doh, Paul Valyo, Richard Probert, Helen McLeod and Rev. Carl Cron of Plattsburgh; Bette Brohel of Morrisonville; and Robin Roy of Saranac Lake.

More information regarding the Choral Arts Society is available through the PSUC Center for Art, Music and Theatre (564-2180).

SPORTS UPDATE; DEARMAS' HAT TRICK LEADS CARDS TO BIG WIN OVER OSWEGO

Peter DeArmas scored three goals and two assists to lead the Plattsburgh State hockey team to a 7-4 rout of rival Oswego State. The Cardinals never allowed the Lakers to get into the game, scoring three first period goals for a 3-0 lead. The win raises the team's Division II record to 8-5 and overall record 8-11.

Buffalo State held off a spirited Cardinal basketball team to win the Cardinal Pepsi Classic 61-60, Saturday in Memorial Hall. The Cards played even with the nationally ranked Bengals for the entire game, slowing down the high-powered Buffalo offense. New Paltz won the consolation game 100-91 over Plymouth State. In the opening round, Plattsburgh State routed Plymouth 98-66 and Buffalo State trounced New Paltz 100-77. Plattsburgh's Jim Hogan and Jim Maniatis earned All-Tournament honors along with Buffalo's John Groover and Plymouth's Ed Carroll. Buffalo's LeRoy Getty was the tournament's MVP.

The women's basketball team split weekend games, defeating Potsdam State 56-47 and losing to Oswego State 71-62. Maureen McClen-don led the Cards, scoring 14 against Potsdam and 15 against the Lakers. Ann Slattery had 26 points on the weekend.

Sue Hutchins set one school record and tied another in a track meet Saturday in the Green Mountain Track and Field Invitational in Burlington. She took third in the 400-meter dash setting a record with a 61.7 clocking. Her semifinal time of 8.2 in the 50-meter hurdles equalled the school record. No team scores were kept in the meet.

The Cardinal swim team lost to St. Michael's Saturday in Winooski. The women lost 61-52, despite triple winner Nancy Sawyer. She won the 200 individual medley and the 200 backstroke, and swam on the winning 400 medley relay team. The men lost 63-50. Three men were triple winners. Mark Beamish won the 1000 and 500 freestyles, Pat Driscoll aced the 200 freestyle and 200 butterfly, and Chris Keena won the 50 and 100 freestyle. The trio all swam on the victorious 400 relay team.

CORRECTION

The end of the course adjustment period this semester is Tuesday, January 24, NOT January 26 as announced in the last issue of WEEKLY.

CALENDAR NOTES

The Admissions Office urgently needs students who can devote a few hours per month to act as **volunteer hosts and hostesses** for prospective students and their families. Interested students may sign up at the Admissions Office, 4th floor Kehoe or call Richard Miller at 564-2040.

The Upward Bound Program is accepting applications for thirteen **Tutor/Counselor positions** with its 1984 Summer Program. Applicants must be currently enrolled college students in good academic standing. Applications and information about the Program are available in the Upward Bound office (133 Court Street, upstairs). The application deadline is Friday, February 17, 1984.

The Plattsburgh State Track and Field team is seeking **volunteer officials** for upcoming indoor and outdoor home meets. While prior experience would be preferred, it certainly is not necessary. There are three home indoor meets and one home outdoor meet, including the Cardinal Classic and the SUNYAC Women's Championships. For further details contact Coach Dick Fischer, Memorial 219, 564-3144.

January transfers interested in competing on the Plattsburgh State Indoor and Outdoor track and field team should contact Coach Dick Fischer, Memorial 219, 564-3144, as soon as possible.

CELL SCIENTIST TO RECEIVE HONORARY DEGREE AT PSUC IN APRIL

Dr. Toshio Murashige, professor of horticultural science and plant physiologist at the University of California at Riverside, will receive an honorary degree of Doctor of Science (Sc.D) during a special ceremony at Plattsburgh State on April 29. Murashige's nomination for the honorary degree was one of 25 approved by the State University Board of Trustees on Wednesday.

Murashige serves as an adjunct faculty contributor to the college's in vitro cell biology program. He will spend three days at the Miner Institute in May delivering capstone lectures on the current status and future prospects of plant tissue culture.

Murashige has been active in the field of tissue culture for many years and is the developer, with Dr. F. Skoog, of a growth medium which is used in more than 90% of the tissue culture work now being done in the country. In addition, his research on the technique of regenerating plants from single cells has been the basis of that scientific body of work.

Murashige has become a leader in teaching plant tissue culture techniques to third world scientists in an effort to improve the agricultural yields in those countries and many commercial applications of his work are already in practice.

Murashige will be the third person to receive an honorary degree at Plattsburgh State. The SUNY degree program was initiated in 1981 and that first year, Kenneth Taylor, Canadian consul general in New York City, was awarded an honorary doctor of humane letters degree. In 1982, Nobel Laureate Dr. Eugene Wigner received an honorary doctor of science degree.

Among the 1984 recipients are former SUNY Chancellor Ernest L. Boyer, playwright Eugene Ionesco, historian Arthur Schlesinger, Jr., artist Lee Krasner, New York Times executive editor Abraham M. Rosenthal, and other distinguished contributors to psychology, sociology, education, economics, literature, finance, music, medicine, mathematics, biochemistry, genetics, art and optometry. The degrees will be conferred at various times during the spring and fall at eleven SUNY campuses and at SUNY Central.

SKOPP TO DELIVER COMMENCEMENT ADDRESS

Dr. Douglas Skopp, professor and chairperson of the history department, has been selected to deliver the main address at the spring commencement ceremony on Sunday, May 20. Skopp was chosen by the commencement committee, after a survey of the college's faculty, staff and students.

Skopp joined the faculty as an assistant professor of history in 1972 and was promoted to associate professor in 1976 and to professor last fall. He chaired the history department in 1981 and 1982, then spent one year as acting associate vice president for academic affairs before returning to that position.

He is a recipient of several SUNY research grants, the most recent of which funded a project entitled "Orienting Freshmen to the Liberal Arts" and led to the writing of "The Plattsburgh Legacy," a monograph sent to all incoming freshmen last summer. He has also done considerable research on the educational system in Germany and has published numerous articles on that subject.

JANUARY ADMISSIONS SLIGHTLY AHEAD OF LAST YEAR, DISMISSALS DOWN

As of Monday, 338 deposits had been received from accepted students for the spring semester, according to Jan Edwards, assistant to the president for enrollment management. The figure breaks down, she explained, as follows: 200 transfer students, 28 first-time freshmen, 90 readmissions, 14 foreign students, and six visiting students. Students were still registering as of Monday, so the final admissions figure may still climb. Last year, 332 fulltime students enrolled in January.

Edwards commented that fewer applications were received for this spring semester, but the college experienced an increase in the yield rate (the number of accepted students who pay deposits).

On the other side of the coin, academic dismissals are down over previous years, according to Tom Corigliano, director of academic advisement. Students with a grade point average of less than 2.0 for the fall semester totalled 368 this year, compared with 407 last year. Of those students, 189 received notices of academic dismissal while the rest were placed on academic probation. Corigliano said that 126 students (66.6%) of those receiving dismissal notices appealed. Following the appeal process, 70 students were reinstated and 119 were dismissed. To compare the figures to last year, Corigliano noted that following the fall, 1982 semester, 194 students were originally dismissed, 61.8% of that number appeal their case, 64 were reinstated, and 130 were dismissed.

COLLEGE COUNCIL TO MEET THURSDAY, JANUARY 26

The next regular meeting of the Plattsburgh College Council will be held at 2 p.m. on Thursday, January 26 in the Tenth Floor Boardroom of the Kehoe Administration Building. The only item on this month's agenda is Governor Cuomo's proposed 1984-85 budget for the college.

THIRTY-FIVE STUDENTS NAMED TO WHO'S WHO AMONG AMERICAN STUDENTS

Thirty-five Plattsburgh State students have been selected for inclusion in the 1984 edition of "Who's Who Among Students in American Universities and Colleges." The students were chosen by a campus nominating committee and the editors of the annual directory on the basis of their academic achievement, service to the community, leadership in extracurricular activities and potential for continued success.

The students included in the edition, their hometown, and their major are: Anthony E. Armlin, Averill Park, History/Political Science; Kathleen M. Behan, Albany, Food & Nutrition; Karen S. Burns, Mayfield, Theatre; Denise A. Carter, Burke, Home Economics; Margaret L. Clement, Watertown, Medical Technology; Susan L. Coughlin, Schenectady, Mass Communications; Helene J. Cutajar, Plainview, Business Management; Robin S. Dembo, Stonybrook, Elementary & Early Secondary Education; Theresa J. Dettori, Massapequa Park, Marketing; Cindy S. Goldstein, Delmar, Chemistry; Kathleen D. Dwyer, Plattsburgh, Behavioral Science; Claude Heintz, Plattsburgh, Theatre; Charles R. Herel, Bethpage, Computer Science/Mathematics; Scott D. Kane, Locke, Computer Science/Mathematics; John C. Kershner, Wappingers Falls, Political Science; Mary A. LaBella, Syracuse, Hearing & Speech; Gregg M. Margosian, Croton, Computer Science.

Also, Melissa Merola, Garden City Park, Child Family Services; Charlest R. Moore, Plattsburgh, In Vitro Cell Biology; Susan P. Neyenhouse, Peru, Speech Hearing Handicapped Education; Tracy A. O'Brien, Staten Island, Communications/Art History; Deborah J. Pens, Scotia, Psychology/English; Andrew D. Pope, Camp Hill, PA, Computer Science/Accounting; Dawna J. Quigley, Webster, Communication Arts; Lorraine E. Rishell, So. Glens Falls, Marketing; Elizabeth J. Rowe, Canton, Accounting; Roger L. Sadler, Gouverneur, Communication Arts/English; Andrew B. Sherman, Glenmont, Geography; Anne M. Slattery, Mineville, Elementary Education; Diane M. Smith, Champlain, Food & Nutrition; Mary E. Smith, Argyle, Child Family Services; Carolyn A. Vergo, Rochester, Food & Nutrition; Jacqueline M. Vierno, Staten Island, Health Education; Karen E. Whalley, So. Glens Falls, Biochemistry/Biophysics; and Margaret M. Yund, Albany, Food & Nutrition.

FACULTY SENATE APPOINTS COMMITTEES, APPROVES STUDY OPTIONS

At its regular meeting last week, the Faculty Senate announced the appointment of two committees. The ad hoc committee on a college-wide senate will be chaired by Dr. William Culver. Members will be Janet Alexander, Jay Letts, Dr. Howard Miller and Dr. Charles Mitchell. Christine Sloben, SA President, will serve as an ex-officio student member.

The committee to review the general education program includes Dr. Carl Englehart (chairperson), Dr. James Dawson, Dr. Malcolm Fairweather, Clara Johnson, Dr. Sarah Lord, Dr. Paul Szydluk, Dr. Robert Withington, Daui Woodin, and students Diane Leonardo, Spencer Weisbroth, and Richard Smitherman.

The Senate also defeated a motion to revise the by-laws so that a deciding vote on an amendment or revision of the by-laws would require only a majority vote of those casting ballots, instead of an absolute majority of the total voting faculty or two-thirds of those casting ballots.

In other action, the Senate approved revised study options in environmental science.

ROBINSON TRUST GIVES \$7,500 TO COLLEGE FOUNDATION FOR SCHOLARSHIPS

A gift of \$7,500 has been received by the Plattsburgh College Foundation from the Lewis G. Robinson Charitable Trust Fund. Trustee of the fund James Keable said that the Robinson gift is to be used to provide financial assistance to needy students who reside in the Beekmantown School District and who attend Plattsburgh State on a full-time basis. Over the past twelve years, gifts have been made annually by the fund's trustees to the Foundation, and have ranged as high as \$20,000. The founder of the trust fund, Lewis G. Robinson, was a lifelong resident of West Chazy.

CONTEMPORARY DANCE GROUP TO PERFORM SATURDAY

The EBA Contemporary Dance Theatre, New York's only resident dance company, will give a performance at 7 p.m. on Saturday, January 28 in the Hartman Theatre. "Twenty-Four Hour Watch" is a spoof of the life of firemen and the one-hour presentation will be followed from 8 to 9:30 p.m., by a workshop on contemporary dance which will be open to anyone wishing to participate. Tickets are \$1 for the general public and 50¢ for SA students and are on sale from 1-4 p.m. daily until Saturday at the Hartman Theatre Box Office.

SEXUAL HARASSMENT POLICY ADOPTED BY COLLEGE

An official college policy on sexual harassment has been adopted and is now in effect on campus. In a memorandum to the faculty and staff, President Burke commented, "Every state employee is entitled to a working environment free from sexual harassment. Ignoring the problem is tolerating the problem and sexual harassment will not be tolerated on this campus."

The policy reads, in part, "The college will not condone actions and works which a reasonable person would regard as sexually harassing. It is the responsibility of every administrator, supervisor, and faculty member to create and maintain an environment that is free of discrimination and allows full access and opportunity for participation to all members of the college community." The policy defines sexual harassment as "unwelcome comments, gestures, or physical contact which are experienced by the recipient as either unwanted sexual advances or demeaning to his/her gender or sexuality and which have the effect of creating an intimidating, hostile, or offensive environment for learning or working."

Formal complaints should be filed with the Director of Personnel and Affirmative Action (Kehoe Ninth Floor, 564-3062) within 45 days of the alleged discriminatory act. Employees who wish to discuss concerns on an informal basis should talk with the Director of Personnel and Affirmative Action. Students who wish to discuss concerns informally may talk with Jaimie Trautman, Assistant to the Vice President for Student Affairs (Kehoe 202, 564-2280).

ROTARACT RAFFLE NETS \$3,000 FOR COMPUTER

The raffle conducted by the newly established campus Rotaract group just prior to Christmas has netted the club approximately \$3,000 according to faculty advisor Fouad El Taher. El Taher said the first prize in the raffle, an Apple IIe microcomputer with software, was won by John Whitcomb of the Sun Brite Laundry in Plattsburgh.

The money raised through the raffle, according to El Taher, will be used to establish a Rotaract computer laboratory in the Center for Business and Economics. Rotaract is the student branch of Rotary International.

INTERIOR DESIGN CONTEST WINNERS ANNOUNCED

Jane Eastman, Carolyn Hebert, and Mary Frennier were the award winners in an interior design contest initiated last fall and sponsored by Wood's Floor Covering, Inc. The contest, open to students in HDE-323, Interior Design, was based on students' designs of an interior living environment containing a kitchen, living and dining space, bedroom, and bath. Plans were drawn to scale and actual samples were selected for decorating. Eastman, a junior home economics major, placed first in the contest with renovation plans for an existing farmhouse. Hebert, a part-time student, was second with a two-story house design, and Frennier, a junior home economics education major, designed a single-story ranch house to place third. Prizes were furnished by Wood's Floor Covering.

SPORTS UPDATE; CARD HOOPSTERS LOG TWO WINS

The men's basketball team won twice at home this weekend, beating Cortland State 72-61 and Union College 71-63. Pat McGinn had 32 points against Cortland and Jim Maniatis rifled in 26 points and had seven rebounds against Union. The Cards are 6-8 overall and 6-5 in Division III.

The women's team split two home contests this weekend. Ann Slattery scored 34 points in a 70-66 win over Norwich. The women came up short, 83-81, in overtime against Hartwick. The team's record is 5-4.

Nothing went right last weekend for the Cardinal hockey team. The Cards lost two road games, 8-5 to Buffalo and 6-4 to Brockport State. The team's record falls to 8-13 overall and 8-7 in ECAC Division II.

The Cardinal thinclads fared well individually in three-team meets Friday night at Union College. The women took second with 22 points. Vermont won with 101 and Union managed four points. Sherri Freeman took first in the 3,000M run (11:20.8) and Cathy Kriger set a school record with her third place shot put toss of 90.83 meters.

The men took third in their meet with 29 points, finishing behind Colgate (72) and Union (59). Rob Dickerman took first in the shot put (14.22 meters) and second in the 35# weight throw (12.88 meters). Ed McClendon won the 800M run (2:05.2) and anchored the winning 4x880 relay team.

APPLICATIONS AVAILABLE FOR FINANCIAL AID

Students interested in applying for financial aid for the 1984-85 academic year should begin the application procedures soon, according to Suzanne Sokolowski, director of financial aid. Available financial assistance includes College Foundation scholarships, low interest loans, and work-study. Application forms and information on eligibility and the application process are available in the Financial Aid Office and at the Outreach Center in the College Center. Completed Financial Aid Forms must be submitted before March 1 and signed copies of parents' federal and state income tax forms must be submitted by April 15.

CORRECTION: The Governor's proposed budget for 1984-85 would bring tuition for out-of-state students to \$3,150, not as stated in last week's WEEKLY.

FOUNDATION HAS RAISED \$1 MILLION-PLUS SINCE 1970; \$180,364 in 1983

The amount raised by the Plattsburgh College Foundation's 1983 Annual Giving Campaign has brought the total amount raised through that campaign during the Foundation's fourteen-year history of fund raising to more than \$1 million. That announcement was made at the Foundation's annual meeting held on campus last week.

Foundation President E. Glenn Giltz said that this year's annual fund drive brought in a total of \$180,364, primarily from area businesses and corporations, other friends in the community and from the college's alumni. That figure, he said, represents a 24% increase over the 1982 annual giving campaign. Perhaps of ever greater significance, Giltz added, was the 40% increase in donors during the 1983 campaign, which brought this year's contributor list to 2,604 businesses and individuals.

"That record-breaking total," Giltz commented, "continues the success story of the Foundation since we started raising funds in 1970. That first year, \$11,233 was donated, and each year thereafter, more and more people have become involved. Each year, the number of contributors and the total amount raised have increased steadily." He added, "That we achieved a record high in voluntary gifts during the past year is attributable to the dedication, concern and generosity of the individuals, businesses, and organizations who have supported us. They have made it possible for countless students to begin or continue their studies at Plattsburgh State."

President Burke expressed his appreciation, saying, "It is reassuring to know that in 1983, as in past years, so many have demonstrated their faith in and commitment to our institution and its students. They have my heartfelt thanks and the thanks of every member of our campus community."

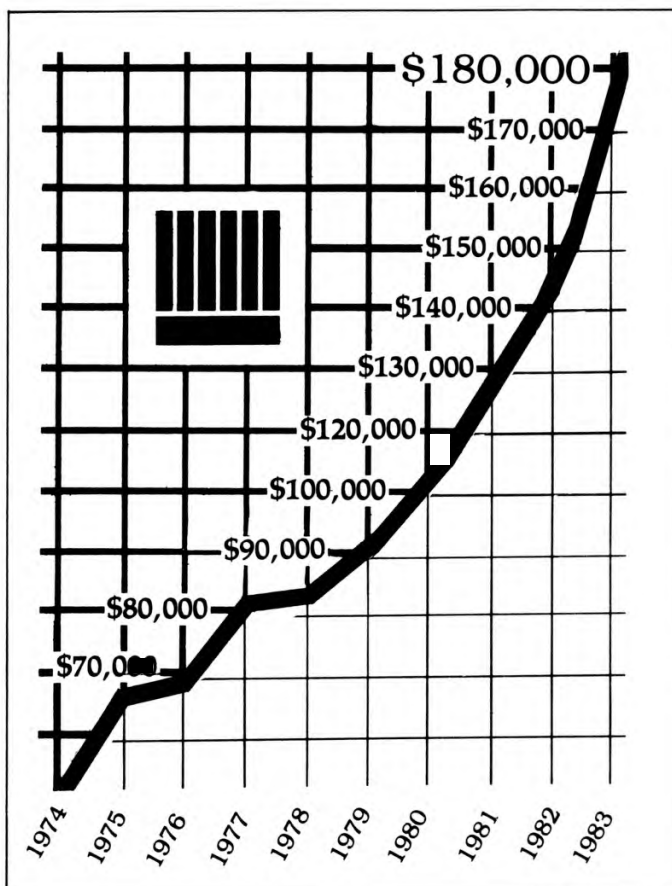

The Business/Corporate Campaign led the way with more than 200 donors contributing more than \$77,000. Sixty-two firms supported the Foundation for the first time.

The alumni fund drive grew at a record pace. Gifts from alumni increased by 22% and set a record of more than \$53,000. Of great significance is the fact that 833 alumni became first-time contributors to the Foundation this year, leading to a 33% increase in the number of donors.

Contributions by friends in the community increased by an impressive 48%, with income exceeding \$35,900. Both the Library Fund and the Cardinal Booster Club showed increases of greater than 100% in comparison with totals for 1982.

For the second consecutive year, the annual giving campaign was chaired by Curt Shipman, president of the Keeseville National Bank. Harry Mowry, vice president of Harris Graphics chaired the Business/Corporate Campaign, and Jacqueline Walker and Tom Glasgow coordinated the Friends Campaign and the Booster Club Fund Drive, respectively.

Most of the money raised is used to provide scholarships and grants for undergraduate students at Plattsburgh State. About 400 students were assisted by the Foundation last year with grants averaging \$450 to \$500.

Annual Giving Support -- 1983

FUND	1982 RESULTS	1983 RESULTS	INCREASE/DECREASE
Alumni	\$44,205	\$53,756.08	+22%
Booster Club	1,765	3,736.25	+112%
Business/Corporate	64,380	77,257.36	+20%
Foundations	10,000	7,500.00	-25%
Friends	24,275	35,932.84	+48%
Library	976	2,181.67	+123%
Total Support	\$145,601	\$180,364.20	+24%

THREE NAMED TO COLLEGE FOUNDATION BOARD OF DIRECTORS

Three persons were named to the Board of Directors of the Plattsburgh College Foundation at the Foundation's annual meeting held on Thursday, January 26. Elected to a three-year term as a community representative was Marie Beemer. Appointed to a three-year term as alumni representative was Terry Meron. Christine Sloben was appointed to a one-year term concurrent with her term as Student Association President. In addition, Harry Mowry, vice president of Harris Graphics, and Dr. Herman Doh, professor of English at the college, were reappointed as College Council and faculty representatives, respectively.

Beemer

Meron

Sloben

Miss Marie Beemer, who retired last year as owner of Beemer's Stationers, has been a community member of the corporation for several years and last year served as a member of the Business/Corporate Campaign committee. A former "Irishman of the Year," Miss Beemer is on the board of directors of the Champlain Valley Federal Savings and Loan Association, a member of the executive council of the Heart Association, and active in the CVPH Medical Center Auxiliary. She is also secretary of the Elmira College Alumni Association Board of Directors. Mr. Meron, a 1971 graduate of Plattsburgh State, received his law degree in 1975 from the State University of New York at Buffalo. Following two years with a Buffalo law firm, he opened his own law office in Plattsburgh. He is secretary-treasurer of the Clinton County Bar Association and serves on the Board of Directors of the Chamber of Commerce. Mr. Meron is also the owner of Christopher's Restaurant in Plattsburgh. Christine Sloben is a sophomore geology major from Syosset. She was elected to the presidency of the Plattsburgh State Student Association in December.

Other 1983-84 members of the Foundation's Board of Directors are E. Glenn Giltz, Curtis E. Shipman, Anne Q. Brandell, Clifford Calongne, William M. Frandino, Patricia D. Judge, Albert F. Luck, William J. H. Manning, Barbara M. Murray, and Peter Whitbeck. Ex-officio members are Dr. George W. Angell, former president of the college; Dr. Joseph Burke, president; Fred P. Merrihew, president emeritus of the Foundation; Daniel Takacs, president of the Alumni Association; and Louis E. Wolfe, chairperson of the College Council. Foundation membership is comprised of approximately 120 persons representing the community, alumni, college faculty, administration, students, and the College Council.

GOVERNOR'S BUDGET MAY OFFER EARLY RETIREMENT TO FACULTY

Governor Cuomo's proposed 1984-85 budget contains a provision for early retirement to be offered to SUNY faculty members. The provision calls for benefits "equivalent to those provided to members of the State Employees Retirement System, i.e., three years of additional service credit," and continues, "This proposal not only would reward senior faculty for their past services, but would generate savings in SUNY payroll and fringe benefit costs since all resulting vacancies would be refilled, often by faculty at, or near, the entrance level of the salary schedule. In addition, new faculty could be hired in those disciplines where the demand is greatest, thereby alleviating some existing discrepancies in faculty distribution."

SOKOLOWSKI RECEIVES AWARD OF HONOR FROM COLLEGE FOUNDATION

Suzanne Sokolowski, director of financial aid, was presented with an Award of Honor by the College Foundation at the Foundation's annual meeting last week. The award, presented by E. Glenn Giltz, president of the Foundation, commended Sokolowski for her "outstanding performance . . . in striving diligently to honor the purposes of the Plattsburgh College Foundation." Giltz commented that the members of and contributors to the Foundation especially appreciated her work in assigning scholarship assistance to needy students, particularly in cases where the donated money is restricted.

Sokolowski was appointed to the college staff as a financial aid advisor in July, 1978 and was promoted to director of financial aid the following year. Sokolowski currently holds the office of treasurer of the State University of New York Financial Aid Professionals.

FORMER HOCKEY STARS TO BATTLE EACH OTHER FEBRUARY 4

More than 30 former Cardinal hockey stars are expected to return to campus this weekend to participate in an alumni vs. alumni contest at the Field House. The game, sponsored by the Cardinal Booster Club in cooperation with the Alumni Association, will be played at 3:30 p.m. on Saturday. Admission will be \$1 for adults and 50 cents for students, with proceeds to benefit the Booster Club.

Francois Bellefeuille ('82), Chip Grabowski ('83), Doug Kimura ('81), Rick Strack ('81), Rick Young ('82), Dave Rattray ('83), Denny Poulin ('83) and Jim Griffin ('83) are among the more recent and most familiar Cardinal alumni who have indicated they will play in the game. The format calls for the teams to be matched on the basis of odd vs. even class year, with final year of varsity hockey eligibility determining "class year." However, the rosters will be adjusted if necessary to ensure team balance.

Last February a squad of alumni played the Cardinal varsity to a 10-10 standoff. The switch this year to an all-alumni event became a necessity because the growth in numbers of alumni participants has made it virtually impossible to ensure sufficient playing time for everyone.

REPRESENTATIVE OF SENECA FALLS PEACE ENCAMPMENT ON CAMPUS FEBRUARY 6-8

Dorothy LaRose, a 1978 graduate of PSUC, who is now working with the Women's Encampment for Peace and Justice at Seneca Falls, New York will be on campus Monday, February 6 through Wednesday, February 8 to talk informally with classes and members of the campus community and to participate in the Women's Studies Forum on Tuesday, February 7. Persons interested in speaking with Ms. LaRose or having her visit a class should contact Patty Bentley (564-3180) or Tom Morrissey (564-2139) for her schedule. She will also have materials on the encampment available in the lobby of the College Center during the week.

SPORTS UPDATE; A WEEK OF UPS AND DOWNS

Peter DeArmas scored three goals and three assists to reach the 100-point plateau; however, the skating Cardinals lost two of three last week. Potsdam State downed the undermanned Cards 3-2 at the Field House. Then the team hit the road for an 8-2 win over Cortland State and a tough 3-1 loss to Elmira College. The Cardinals are 9-9 in ECAC Division II.

The women's basketball team continued its up and down play, losing to Division II St. Michael's 90-54, blasting Clarkson 69-50 and dropping a 60-59 decision of RPI. The Cardinals are 6-6 and still up for post season play.

The men's team came close to pulling off the "upset of the year" but time ran out on the Cards as Potsdam State held on for a 63-62 win in Potsdam. Jim Hogan and Jim Maniatis played exceptionally well for Plattsburgh State. The Cards then returned home to fall 78-67 to Oneonta State.

Several outstanding individual performances highlighted Plattsburgh State's participation in the Cardinal Classic Indoor Track and Field Meet, Saturday at the Field House. Wilfredo Cristian won the 50-meter high hurdles (7.0), Bill Ferreri won the 1,000-meter (2:35.7) and Cathy Kriger took the women's shot put (32'7"). Rob Dickerman finished second in the men's shot put with a toss of 47'11¾". The Cardinal men finished fifth in the 13-team field with 45 points. The University of Vermont won with 94 points. The Plattsburgh State women took fourth with 32 points. Queens University won the women's team title with 108 points.

The Plattsburgh State women's swim team upset Potsdam State 59-52 Saturday in Potsdam. The men lost 67-46 to the Bears. Janice Arwin set three school records for the Cards. Her time of 21:03.37 in the 1650 freestyle broke the old record and her 1,000 yard split time in the race was also good for a new school mark. She also set a record with a second place time of 6:05.32 in the 500 freestyle. Beth Keicher qualified for the SUNYAC meet in three-meter diving. Pat Driscoll led the men with victories in the 500 and 200 freestyle and the 200 butterfly. The women are 3-4, while the men fall to 1-6.

REFERENDUM ON INTEGRATIVE COMPONENT DEFEATED

The referendum to delete the integrative component from the college's General Education program has been defeated. The Committee on Membership and Elections received 279 ballots from members of the voting faculty. Two votes were declared invalid, 141 members of the faculty voted yes, and 136 voted no. Since the referendum received neither a 2/3 majority of those voting (186) nor an absolute majority of the voting faculty (175), it was declared defeated.

GILTZ ELECTED TO EIGHTH TERM AS FOUNDATION PRESIDENT

E. Glenn Giltz, president of Northern Insuring Agency, Inc., has been elected to an eighth term as president of the Plattsburgh College Foundation. Giltz assumed the presidency of the Foundation in 1976. Under his leadership, the Foundation's Annual Giving Program has increased steadily each year, from \$70,601 during his first term in office to \$180,364 in 1983.

Curtis Shipman, president of the Keeseville National Bank, was re-elected to a third term as vice president. Olive Flynt and William Woltjen were re-elected secretary and treasurer respectively.

Members of the Foundation Board of Directors appointed Don Garratt as executive director, James E. Keable as legal counsel, and William J. H. Manning, Barbara Murray and Shipman to serve on the executive committee, with Giltz and President Burke.

Shipman was also re-appointed chairman of the Annual Giving Committee, a post he has held for the past two years. Clyde A. Lewis was re-appointed to chair the Planned Giving Committee and Manning will again chair the Investment Committee.

COMMISSION ESTABLISHED TO EVALUATE SUNY'S ROLE AND MISSION

A 15-member commission, co-chaired by Ralph Davidson, chairman of the board of Time, Inc., and Dr. Harold Enarson, president emeritus of Ohio State University, has been named by Chancellor Clifton R. Wharton, Jr., with the concurrence of the SUNY Board of Trustees, to participate in a comprehensive evaluation of SUNY's role and mission. Announcing the commission's formation, Wharton said, "Decisions have to be made as to whether SUNY will continue as the accessible, broadly based, high quality institution envisioned by its founders, or have its efforts redirected toward narrower, less comprehensive objectives. We look to the independent commission for a thorough review of SUNY's current circumstances and future potential, as well as recommendations to our Board of Trustees and state officials."

The commission will conduct its work over a six-month period beginning in February. Staff will be supported in large part by private grants from the Ford Foundation, Rockefeller Foundation, Carnegie Corp., and the Ford Motor Fund. In deliberating on broad policy issues such as the size of the university, governance and accountability, academic quality and finances, the commission also will hold hearings to receive testimony from policymakers, students, faculty, community leaders and citizens.

Members of the commission, in addition to Davidson and Enarson are: W. Michael Blumenthal, chairman and chief executive officer of Burroughs Corporation and former Secretary of the Treasury; Walter Cronkite, former managing editor of CBS Evening News; Murray H. Finley, president of the Amalgamated Clothing and Textile Workers Union; William Friday, president of the University of North Carolina System; Timothy S. Healy, S.J., president of Georgetown University; Victor Marrero, senior partner of Tufo and Zuccotti and former undersecretary of HUD; Donald B. Marron, chairman and chief executive officer of Paine Webber; Barbara Newell, chancellor of the State University of Florida System; Congressman Charles B. Rangel; Clarke Wescoe, chairman and chief executive officer of Sterling Drug; John C. Whitehead, senior partner of Goldman Sachs; and former governor Malcolm Wilson. Donald Blinken, chairman of the SUNY Board of Trustees, will serve as an ex officio member of the commission.

PEER RECRUITERS CONTACT MORE THAN 500 POTENTIAL STUDENTS

One hundred thirty-five Plattsburgh State students have participated in the peer recruitment program this year, according to Rich Higgins, director of admissions. Peer recruiters visit high schools in their home communities during vacation periods and talk to prospective students about college life in general and life at Plattsburgh in particular. The students, individually and in groups, visited 91 schools and talked to 568 high school students during the Thanksgiving recess and semester break. Higgins said the response to the program from the students visited, the guidance counselors at those schools and from the peer recruiters themselves, has been very positive.

MEMBERS OF PRESIDENT'S CLUB HONORED AT RECEPTION

About 90 members of the Plattsburgh College Foundation's President's Club were honored Saturday evening at a reception hosted by President and Mrs. Burke. The President's Club is comprised of individuals, businesses and corporations who contribute a minimum of \$500 yearly to the College Foundation.

Ten persons received plaques citing their or their business's participation in the President's Club for the first time. Eighty-one persons received 1983 date tabs indicating that they or their businesses had participated in the program previously.

New members of the President's Club are Bridgewater Transport, Duquette Brothers Construction Co., Inc., Express Lane, Faculty Women's Organization of Plattsburgh State, Garrand's Chevrolet-Olds, Inc., Dr. and Mrs. Mauricio C. Leon of Plattsburgh, Mr. and Mrs. William C. Martin of Albany, Plattsburgh Coca-Cola Bottling Co., Inc., Plattsburgh College Faculty Association, and Mr. and Mrs. George J. Winkel of Keene Valley.

TWO ART SHOWS TO OPEN FRIDAY AFTERNOON

Two art exhibitions will open with a reception Friday, February 10 from 4 to 6:30 p.m. "The Floating World," is a collection of Japanese wood block prints from the 18th and 19th centuries and will be on display in the Myers Fine Arts Gallery. The prints are from private collections in New York City and Plattsburgh, and from the collections at the State University Colleges at New Paltz and Plattsburgh. The show surveys the work of the major artists of this special art form, most notably Utamaro, Hiroshige, and Hokusai. Also on exhibit will be a special group of Netsuke, small ivory carvings, which were recently donated to the college's permanent art collection by George and Nina Winkel.

"Fla Me," the exhibition in the Rockwell Kent Alcove, is a continuation of an exchange series between the art faculty of PSUC and UVM. This exhibition, the third hosted by PSUC, features the works of Ted Lyman, assistant professor of art at UVM, and is derived from a film of the same title which is based on a comparison between two geographic areas, Brooksville, Florida and Sutton Island, Maine. Both exhibitions will continue through March 8.

EVALUATION BY DORM RESIDENTS GIVES R.A.'S GOOD MARKS

Last semester, dormitory dwellers were asked to evaluate the resident assistants on their floors. Dr. Eldridge Roark, vice president for student affairs, recently released the results of that evaluation process. Roark said that 831 evaluations were returned, representing all 92 dormitory floors and all class years. Respondents were asked to agree, strongly agree, disagree or strongly disagree with fifteen different statements. They were also offered the choice of "no basis for evaluation." Ninety-six percent agreed or strongly agreed that the rules and regulations were enforced on the floor. More than ninety percent agreed or strongly agreed that their R.A. "has tried to get to know me," "seems interested in the floor's social and recreational activities," and "has tried to help our floor develop an atmosphere where people respect each other's rights and privileges."

In addition, 92% disagreed or strongly disagreed with the statement "it is usually too noisy on our floor." Resident assistants also received high marks for being effective when students need help with social or personal concerns, conducting regular and effective floor meetings, supporting the dorm councils, being involved with educational and cultural programs for the floor, and having information about the facilities, procedures, or resources of the campus.

REAGAN'S 1985 BUDGET PROPOSES ELIMINATION OF COOPERATIVE EDUCATION, SEOG, NDSL

President Reagan's fiscal year 1985 budget proposes the elimination of funding for nearly 800,000 financial-assistance awards to undergraduate and graduate students, according to a report from the Action Committee, a coalition of higher education groups. The proposed budget, according to the report, eliminates funding for Supplemental Grants, National Direct Student Loans, the Cooperative Education Program, and veterans cost of education programs. Suzanne Sokolowski, director of financial aid, said the elimination of SEOG and NDSL funds would mean that approximately 100 Plattsburgh State students would lose about \$80,000 in financial aid. Most NDSL loans, she said, are funded by money being repaid by former students. Plattsburgh's Cooperative Education Program, according to its director Ann Hasting, is currently in the second year of a five-year \$419,000 grant and is providing services to between 500 and 600 students. The veterans cost of instruction program, according to Jaimie Trautman, helps to subsidize the operation of the Veterans Office on campus. Last year, Trautman said, Plattsburgh received approximately \$1,800 from that source.

In addition, under Reagan's proposed budget, Pell Grants would be funded at the same level and Guaranteed Student Loans would be revised to require a needs test for all recipients. College Work Study funds, however, would be increased by \$300 million.

FLORIDA ALUMNI TO BE HOSTED AT CHANCELLOR'S RECEPTION

SUNY alumni currently living in Florida have been invited to attend a reception, hosted by Chancellor and Mrs. Clifton R. Wharton, Jr., in Miami on Saturday evening. Two hundred fifty-eight Plattsburgh State alumni now reside in Florida, according to Mal Lavery, director of alumni affairs, and several have made reservations to attend the upcoming event. Previous SUNY alumni receptions have been held in Washington, D.C., and California.

ANNUAL VALENTINE'S DANCE SCHEDULED FOR FEBRUARY 17

The annual Valentine's Dance, sponsored by the Faculty Women's Organization and the Faculty Association, will take place on Friday evening, February 17, in the College Center ballroom.

Dance music from nine p.m. to one a.m. for all varieties of dancing, will be furnished again this year by The Knights, back by popular demand. Marriott will provide table snacks during the evening as well as a hot and cold finger-buffet at 10:30 p.m.

SPORTS UPDATE; HOCKEY CARDS DOWN BUFFALO

Dave Piromalli and Jack Doak scored three goals each to lead the Cardinal icers to an 11-1 drubbing of SUNY Buffalo, Saturday at the Field House. Piromalli's performance earned him a selection as ECAC Division II Rookie of the Week.

A spirited reunion and friendly competition marked the past weekend's all-alumni hockey game at the Field House. More than 30 former Cardinal players participated in the event, won by the alumni Red team over the Blue squad, 13-11. Michael Talbot (4 goals, 2 assists) and Francois Lecomte (3 goals, 5 assists) paced the winners.

The men's basketball team continued up and down, upsetting Albany State 81-77 and losing to Oneonta State 70-58. Jim Maniatis had 22 against Albany, while Pat McGinn chipped in 20 for the Cardinals.

The women hoopsters split two weekend SUNYAC contests. Ann Slattery, recovered from a bout with the flu, scored 29 points to lead the Cards to a 72-70 win over Albany State. Binghamton State rallied from 10 points down to beat the Cardinals 58-53.

The women's swim team easily defeated Union College, 66-29, on Saturday, evening their record at 4-4. Kay Maloney, Maggie McDermott, and Karen Synakowski were double winners for the Cardinals. The men's team lost the final relay event by just over one second and lost 48-47, dropping to 1-7 on the season. Mark Beamish, Pat Driscoll, and Steven French were double winners for the men.

NEW SCHOLARSHIP PROGRAM DESIGNED TO ATTRACT TOP STUDENTS

A new scholarship program, which will provide \$67,500 to attract highly qualified high school and two-year college graduates to enroll at Plattsburgh State, has been initiated.

Beginning next fall, 100 incoming freshmen and 35 transfer students with associate's degrees from SUNY's two-year colleges will each receive a \$500 scholarship from the Plattsburgh College Foundation for their first academic year at the College. Scholarship recipients will be designated "Foundation Scholars."

Jan Edwards, assistant to the president for enrollment management, said: "Students with a history of academic achievement will be invited to apply for the awards. The final decisions will be made on the basis of that academic achievement coupled with financial need. We expect the availability of these scholarships will have a positive effect in influencing these students to choose to enroll at Plattsburgh."

President Burke commented, "The College is in a position to offer this new scholarship program because of the overwhelming success of the Foundation's Annual Giving Program and the generosity of community businesses, individuals and the College's alumni, students, faculty and staff. This program is part of our continuing effort to enroll the very best students at Plattsburgh State."

The Foundation will continue to provide the equivalent of four-year, full-tuition scholarships to approximately 36 students (nine in each class). Those students, chosen solely on the basis of academic merit, and formerly known as Foundation Scholars, will now be designated "Presidential Scholars."

The College Foundation's assistance to the student aid program has increased dramatically during the last three years. During the 1981-82 academic year, \$104,000 in Foundation funds were distributed to students. In 1982-83, the amount rose to \$136,000. During the current academic year, the Foundation has provided \$210,196 in student aid funds, an increase of 54% over the previous year. In just those three years, the Foundation has provided nearly one half million dollars in student aid. In addition, the Foundation has pledged to provide \$275,000 in assistance for the 1984-85 academic year.

SUE SPISSINGER NAMED DIRECTOR OF SPONSORED RESEARCH

Sue Spissinger, who has been serving as acting director of sponsored research since last summer, has been appointed to fill that position on a permanent basis following a national search. In that position, Spissinger will supervise grant activity on the campus.

Spissinger holds a bachelor's degree from Michigan State University and an M.Ed. from the University of Vermont. On campus, she has served as assistant to the dean of professional studies and assistant to the director of educational research and services. She was formerly the assistant dean of students at Skidmore College, an academic counselor at Syracuse University and a counselor/instructor at Onondaga Community College. She is listed in *Who's Who of American Women* and *Who's Who in the East*.

FRANK AND MEYER CO-AUTHOR MUSIC BOOK

Dr. Alan R. Frank, associate professor of music, and Dr. John L. Meyer, professor of communication, are the coauthors of a new book entitled, *Handbook of Musical Composition for the Beginner*. The book according to Meyer, "provides a basic understanding of the rudiments or 'stuff' of which music is made, to explain how composers create." Employing a creative, compositional approach, the book urges the reader to enter into the compositional process by actively writing original melodies. The book leads the neophyte music student through the substance and structure of music, the materials of musical composition, to the compositional process of writing songs.

The goal of the book is to explain music in a way that will help the reader relate to music in a more creative, intimate way. Among its chapters are "how-to" projects including: how to write a motive or phrase, how to add rhythm, how to compose melodic extensions, how to add harmony, how to organize phrases into mini-compositions, how to set a poem to music. In the appendices, the reader will find advice on writing for the voice and writing for instruments. The book is currently on sale at the College Store.

SUPPLE APPOINTED TO SUNY COMMITTEE ON IMPROVING TEACHER EDUCATION

Dr. Jerome Supple, vice president for academic affairs, has been appointed to the newly formed Chancellor's Task Force on Teacher Education. The task force, chaired by Fredonia President Dallas K. Beal, is charged with helping SUNY meet the changing needs of the state's elementary and secondary schools.

Chancellor Clifton R. Wharton, Jr., appointed the 19-member panel to recommend policy changes to cope with teacher shortages in such critical areas as mathematics and science teaching, to prepare enough teachers to meet the demands of a small 'baby boom' now moving into the elementary schools and to support and encourage the state's present teaching staff.

'BEYOND THERAPY' TO OPEN NEXT WEEK IN HARTMAN THEATRE

A Plattsburgh State Theatre production of "Beyond Therapy" by Christopher Durang will open next Wednesday (Feb. 22) and run through Sunday. Director Dan Watermeier explains the play. "In 'Beyond Therapy,' Durang takes the ancient boy-meets-girl story and contorts it into absurdity." The comedy's cast includes Kevin Russell '84, Karen Burns '85, Barry Brown '85, Liz Bellm '85, David Dubin '85 and Paul Evans III '87. Dr. Timothy Palkovic designed the sets and Mitchell Fore is technical director for the production.

The performances on Wednesday through Saturday begin at 8 p.m., and Sunday's performance begins at 2 p.m. All performances will take place in the Hartman Theatre on campus. Ticket prices on Friday and Saturday evening are \$3 for the general public, \$2.50 for faculty and staff and \$1.50 for students. Tickets for the Wednesday, Thursday and Sunday performances are \$2.50 for the general public, \$2 for faculty and staff, and \$1 for students. Watermeier added that members of the American Psychiatric Association and the American Psychological Association will receive one complimentary ticket by presenting a membership card at the box office. The Hartman Box Office is open 1 - 4 p.m. weekdays.

SURVEY PREDICTS SERIOUS SHORTAGE OF HOME EC TEACHERS IN FIVE YEARS

A survey conducted by Dr. Eloise Law, professor in the Center for Human Resources, indicates that a serious shortage of home economics teachers can be anticipated within the next five years. Information from the New York State Education Department shows that within those five years, 30.3% of presently employed home economics teachers will be eligible for retirement. Beginning with that information, Law surveyed a random sample of 300 chief school administrators within the state. Approximately 70% of those surveyed said that the need for home economics teachers would increase or remain the same during the next few years, and 90% said they would fill any vacancies in that area. Nineteen percent of the respondents indicated that they had already had difficulty finding qualified home economics teachers for full-time regular programs, while about 28% of the administrators connected with BOCES program had found a shortage.

On the other side of the coin, Law said, graduates in home economics education at Plattsburgh decreased from 62 in 1973 to 13 in 1982, a decrease of 80%. That enrollment pattern, she said, is duplicated in other colleges across the state as well. She cited figures from the 1982-83 academic year — Plattsburgh granted 16 bachelor's degrees in home economics education, followed by Oneonta, 12; Buffalo State, 10; Cornell, 9; Queens, 7; New York University, 2; and Syracuse, 1.

FORMER HOOPSTERS TO RETURN FOR ALUMNI CONTEST ON SATURDAY

Twenty of the greatest players in the last 15 years of Plattsburgh State basketball will return to campus this weekend to perform in the inaugural all-alumni game, an event sponsored by the Cardinal Booster Club in cooperation with the Alumni Association. The contest, scheduled for 6 p.m. Saturday in Memorial Gym, is a preliminary to the varsity encounter matching the Cardinals against arch-rival Potsdam State.

The lineup of former Plattsburgh stars includes not only those who own the majority of individual records in the sport here, but also five members of the 1976 team that captured the SUNYAC title and advanced to the final four in the NCAA Division III post-season national championship tournament. The five returnees from the '76 squad are Darryl Hutson, Tony Petioni, Mike Green, Larry Parker and Ron Wright. Parker still holds the Cards' single-season rebound record (514 in 1974-75) as well as the single-season field goal percentage mark (63%, also in '74-75), while Wright continues to hold or share all-time records in four categories, including most points and best point average in one season (605 and 22.3, respectively, during the 1975-76 campaign).

Other top players from the past who plan to participate include Kevin Baldwin and Paul Glodis, who share the record with two others for most field goals in one game (17). Former Cardinals from the early and mid 1970s who will play include Don Verkey, Bob Maher, Bill Shoen and Dorn Fenner, while the '60s era will be represented by Paul Heiner and Bill Saskowicz.

Varsity coach Norm Law will pair the teams. Admission to both games will be the usual \$1.50 for adults, \$1 for students and 50 cents for students holding Plattsburgh State I.D.'s.

COMMITTEE ON COLLEGE SERVICES ASKING FOR OPINIONS ON MATERIAL FOR COLLEGE STORE

The Standing Committee on College Services for the Faculty Senate is currently soliciting input from students and faculty on increasing the volume of books offered for sale at the College Store. The committee is considering sponsoring legislation to increase the number of classic works and serious journals in each academic discipline which are offered for sale in the College Store. Questionnaires are currently being circulated to students and will be available for faculty within the next week. They should be returned to: Chair, College Services Committee, Kehoe 113 by February 24.

DR. EDMUND EGAN TO DISCUSS ETHICS AND AESTHETICS

Dr. Edmund Egan of Montreal will deliver two lectures on campus on Tuesday, February 21. The first, "Feminism and Philosophy: Some Suggestions for Normative Ethics" will be given at 12:15 pm in the Cardinal Lounge as part of the Women's Studies Luncheon Forum. At 4 p.m., Egan will discuss "Aesthetics Today" in the second floor Myers Fine Arts Lounge. Egan holds a joint appointment in philosophy at Concordia University and the Simone de Beauvoir Institute.

LACE EXHIBIT ON DISPLAY IN WARD HALL

An exhibit called "Lace" is currently installed in the showcases of the north corridor in Ward Hall. This display includes samples of many different types of lace and indicates the wide variety in its uses, both in wearing apparel and in the home. All of the laces displayed are from the private collections of Anna Messer and Dorothy Hennessey. Members of the campus community and the public are invited to view the display Mondays through Thursdays between 8 a.m. and 10 p.m. and Fridays from 9 a.m. until 5 p.m. through February 29.

BERLIN CHAMBER ORCHESTRA TO PLAY FEBRUARY 17

The Berlin Chamber Orchestra of East Berlin, conducted by Heinz Schunk, will present a concert at 8 p.m. on Friday, February 17 in Hawkins Hall. Co-sponsored by the Clinton County Council on the Arts, the college's Center for Art, Music and Theatre, the Music Council and the Student Association, the concert will feature music by Bach, Mozart, Haydn, and Benjamin Britten. Tickets are \$7.50 for the general public, \$6.50 for COACC members, senior citizens and students, \$4 for faculty and staff and 50¢ for SA members. A special rate has been established for the concert. Any PSUC faculty or staff member bringing five or more students to the concert may purchase 2 tickets at 50¢ each.

SPORTS UPDATE; HOCKEY CARDS MAKE IT TO PLAYOFFS

The Cardinal hockey team swept two weekend home games to qualify for the ECAC Division II playoffs for the seventh straight season. Dave Piromalli scored two goals and one assist in Plattsburgh's 6-1 trouncing of Elmira and Peter DeArmas continues to lead the ECAC in scoring with a goal and an assist in the Cards 3-2 win over Geneseo State. DeArmas has 24 goals and 34 assists for 58 points. The ECAC playoff seedings will be announced February 22, with first round action starting February 25.

The Plattsburgh State women cagers split two road games last weekend, defeating Russell Sage 75-63 and losing 68-66 to Castleton State. Ann Slattery scored 59 points in the two games, including 34 against Castleton.

Norm Law's squad lost two SUNYAC games last week. Albany State evened the score with the Cards 51-44 in Albany. Binghamton rocked the Cardinals 65-58.

Pat Driscoll continued to chalk up victories, winning three races to lead the men's swim team to a 78-31 victory over McGill University. Driscoll won the 100- and 200-yard freestyles and swam on the winning 4x100 freestyle relay. The women swimmers lost 63-48, despite a record setting performance by the 4x100 medley relay of Kay Maloney, Beth Huntley, Nancy Sawyer and Roseanne Rafferty. Janice Arwin also set a school standard in the 1,000 freestyle.

The Cardinal thinclads had several outstanding individual performances Saturday in a four-team meet at St. Lawrence University. Rob Dickerman placed first in the shot put (46'6") and Bill Ferreri anchored the winning 4x800 meter relay and won the 1,000. Linda Krasensky set a school record (4:51.8) in the 1500.

weekly notes

Dr. Francis Bethlen, professor in the Center for Business and Economics, has been invited to serve on the executive committee of the Global Energy Society. The society's function is to foster global cooperation in finding solutions to the problems of world poverty and hunger. . . SUNY Trustee **Judith Lasher Duken** '59 will be a guest speaker at the February meeting of the SUNY Plaza Women's Forum in Albany. Duken will discuss "Computers in the Elementary School." . **Dr. Nicholas Troisi**, dean of professional studies, was quoted extensively in the cover story of the February 6 issue of "USA Today." The story "What Does It Take to Be Top-grade?" examines several school systems considered to be among the best in the country and cites Troisi's research on what conditions foster excellence in the schools.

FACULTY RECEIVE 2 OF 15 SUNY UNDERGRADUATE IMPROVEMENT GRANTS

Plattsburgh State faculty received two of only fifteen Faculty Grants for the Improvement of Undergraduate Instruction awarded SUNY-wide this week. Dr. Byrne DeGrandpre's individual proposal and a joint project by Dr. Warren Bentzen and Dr. Sarah Lord will receive funding through the program.

A total of 107 faculty from throughout the 64-campus system submitted proposals in the 1983-84 series, and fifteen grants, involving 22 faculty members at 13 campuses were approved. Only one other unit, the University at Buffalo, received two awards. Recipients may be granted up to \$2,500 each to support their proposals, but grants involving more than one person may be funded up to a limit of \$5,000. All of the grant money is used to develop programs directly related to promoting excellence in undergraduate instruction.

DeGrandpre

Bentzen

Lord

DeGrandpre's proposal is entitled "Modeling Teacher Controlled Instruction Techniques," and his award is his second in this series in recent years. DeGrandpre is an associate professor in the Center for Teacher Education. Bentzen and Lord, both assistant professors in the Center for Human Resources, will collaborate on a project entitled "Drama Techniques for Large Group Instruction."

FACULTY TO VOTE ON ENFRANCHISEMENT OF LONGTERM TEMPORARY FACULTY

A proposal to revise Faculty Senate by-laws to allow full-time temporary faculty members to vote after their first year of employment at the college will be voted on by faculty members during the next week. The Committee on Membership and Elections proposed the by-law revision earlier this semester when it was learned that a small number of faculty members, although employed on temporary lines for various reasons, had been full-time members of the faculty for longer than one year. The by-laws, as they currently read, deny the vote to any temporary faculty member.

A second proposal, to enfranchise full-time professional staff members who are officially employed by the Research Foundation, after their first year is also on the ballot. This proposal covers the professional staff members of programs such as the Special Services Project and Upward Bound.

'STUDY ABROAD' PROGRAMS GAINING IN POPULARITY

The number of Plattsburgh State students who choose to spend a semester or a year studying abroad is increasing, according to a report prepared by Dr. Richard Beach, who directs the "Study Abroad" programs on campus. During the fall, 1983 semester, Beach said, 49 students participated in programs in 11 countries. This semester, 57 students are enrolled in programs in 12 countries. The total of 106, Beach continued, is the largest number of Plattsburgh State students to have studied abroad in any one year. A review of the report shows that England leads the list of placements, with 18 in the fall and 24 in the spring, followed closely by Canada, 12 last fall and 9 this semester. Other countries in which students studied during the fall semester or are currently studying include Colombia, Denmark, France, Germany, Italy, Ireland, Israel, Japan, Mexico, Russia, Spain, and Switzerland.

In addition, Beach prepared a report on the 1983-84 Study in Canada program, which is administered on this campus. A total of 120 students from Plattsburgh State, other SUNY campuses, and non-SUNY campuses enrolled at programs at McGill, Concordia, Carleton, Laval, Chicoutimi, and the University of Montreal. Beach added that approximately 50% of the students who ask for information or counseling in regard to the study abroad program end up applying and/or being accepted.

CHANCELLOR CLARIFIES STAND ON TUITION INCREASE

SUNY Chancellor Clifton R. Wharton Jr. has issued a statement clarifying his position on the tuition increase proposed in the Governor's Budget for 1984-85. Wharton commented, "Newspaper accounts that I asked the State Legislature to approve a \$200 increase in tuition are totally incorrect, as a reading of my testimony on Wednesday makes clear. Such a stand is contrary to the position of the SUNY Board of Trustees, our presidents and the central administration.

"In my testimony, I spoke at length to the negative aspects of recent tuition increases, particularly the proposal to add \$200 to the \$300 that was imposed for the current year. However, I reminded the legislators that the dollars represented by the proposed increase were already included in our projected operating budget for the next year and that they would have to be driven from some source. We sincerely hope a tuition increase can be avoided."

ELEVEN INDUCTED INTO GEOGRAPHY HONOR SOCIETY

Eleven students were inducted into the campus chapter of Gamma Theta Upsilon, the national geography honor society, in a recent ceremony. Membership in the society is based on maintaining at least a B average in geography courses and having completed at least 12 hours of study in that discipline.

New members in the honor society include: Bill Brady, sophomore, Yonkers; Michael Burns, junior, Averill Park; Chris Conway, sophomore, Manlius; Bardon Hancock, freshmen, Woodstock; Gary Kissell, sophomore, Wappingers Falls; Robin Pfetch, senior, Buffalo; Jeff Schultz, senior, Essex Junction, Vermont; Tim Short, senior, Delmar; Donald Sovey, junior, Tupper Lake; Linda Weber, junior, Port Jefferson; and Jorgen Wouters, senior, Yorktown Heights.

FORENSIC TEAM DOES WELL IN ITHACA TOURNEY; SADLER BREAKS OWN PENTATHLON RECORD

The college's forensic team did so well in the Individual Events category at the Ithaca College tournament that, even without a debate team entered, Plattsburgh placed third overall. The team took first place in individual events with 156 points, led by senior Roger Sadler, who scored 67 points in pentathlon competition to break his own Northeast Forensic League record by one point. Other Plattsburgh speakers placing in the top five in various events were Deborah Pacyna, Gene Thomas, Veronica Fitzgerald and Cyndi Strever.

Cornell University and Suffolk University were first and second in the tournament, respectively. The tournament title was based on total points in the combination of individual events and debate categories.

NEW SCULPTURE BY NINA WINKEL TO BE ON SPECIAL EXHIBIT NEXT WEEK

A major new relief sculpture by Nina Winkel will be on special view in the Rockwell Kent Gallery from February 26 through March 9. The work, entitled "The School of Athens," consists of sixteen elements of which six are life-size figures and represents the major personalities of early Greek philosophy, including Aristotle and Plato. Later this spring, the sculpture will be permanently installed in the town hall of Winkel's hometown, Borken/West Falen, West Germany, in honor of her father, who was a teacher of Latin, Greek and history. The sculpture will be presented with a special reception in the Kent Gallery from 2 to 4 p.m. on Sunday, February 26.

AGRARIAN CONFERENCE TO BE PREVIEWED ON CAMPUS

A major international conference on "Agrarian Structures and Economic Performance in the Century of Industrialization" to be held in Montreal in May will be previewed on campus on March 2. Dr. Carol Leonard, one of the conference organizers explained that the May conference will bring together 50 scholars, both historians and economists from the U.S., Russia, Canada, France, Sweden, England and Germany, for a working session on how economic development occurs. Several of the major speakers will be on campus on March 2 for a planning session and will present brief resumes of the papers they will read in May. Dr. William N. Parker, Distinguished Professor of economics and economics history at Yale, Dr. Daniel Field, editor of *Russian Review*, and Dr. George Grantham, winner of a recent Cole Prize in economics, will speak at 2:30 p.m. in the Cardinal Lounge. The presentation is free and open to the campus community and the public.

76 FINALISTS SELECTED FOR RESIDENT ASSISTANT POSITIONS

Seventy-six finalists are still in the running for 43 resident assistant positions available for the Fall, 1984 semester, according to Cheryl Hogle, associate director of campus life. Hogle said that 157 students had applied last fall. The list was cut to 101 in January and down to 76 this week. The final selection phase involves a series of six sessions during which the finalists are evaluated by nine dormitory directors and Hogle on such skills as listening, discipline, leadership and decision making. The final selection for the 17 positions for men and 26 positions for women will be made by March 12.

'1984' SEMINARS CONTINUE WITH APPEARANCES BY LASCH AND WEIZENBAUM

The "1984 Symposia" continue this week with appearances on campus by Dr. Christopher Lasch and Dr. Joseph Weizenbaum. Lasch, a member of the history department at the University of Rochester and author of *The Culture of Narcissus* is speaking at 8 p.m. on February 22 in CL 200 on the topic "1984-Are We There?" On February 27, Dr. Joseph Weizenbaum, a member of the artificial intelligence group at MIT and author of *Computer Power and Human Reason* will speak. Weizenbaum's presentation will take place at 8 p.m. in CL 200 and will be entitled "Disembodied Intelligence." Lasch's discussion of the questions of historical revisionism and the degradation of language and Weizenbaum's consideration of the implications of information technology continue the semester-long consideration of various aspects raised in Orwell's *1984*, according to symposia planner Dr. David Mowry.

SPORTS UPDATE; WINTER SPORTS SEASON COMING TO A CLOSE

Potsdam State escaped the upset-minded Cardinals with a 54-49 win over Norm Law's squad Saturday at Memorial Hall. Steve Dowd had 16 points for the Cards, while Jim Maniatis had 10. Earlier in the week, the Cards shocked nationally ranked Norwich, 76-67. Maniatis ripped the nets for 21 points, while Jim Hogan and Dowd each added 17.

The women's hoop team finished the regular season with a weekend split, defeating Brockport State 86-68 and losing 71-53 to Oneonta State. The women enter the SUNYAC playoffs 11-10 overall and 3-2 in SUNYAC play.

The Cardinal hockey team closed out the home schedule with a convincing 8-1 win over Cortland State. Steve Bester, Jack Doak and Dan Zanon each scored twice for the Cards. Union downed the Cardinals 5-2 Tuesday night at Union. The team will enter ECAC West Division II quarterfinal play Saturday.

Albany State's men and women defeated Dick Fischer's track squads 100-37 and 70-52 respectively. Charlene Fenton won three individual events and ran on the victorious 4x449 relay team for the Cards. Rob Dickerman won the shot put with a toss of 48'9" and took second in the 35 lb. weight throw.

EXXON'S PUBLIC AFFAIRS MANAGER TO SPEAK ON CAMPUS ON FRIDAY

Tom Davis, public affairs manager for Exxon Corporation, will be on campus on Friday 24, as the guest of the Centers for Earth and Environmental Science and Business and Economics. Davis will present two seminars, both of which are free and open to the college community and the public. At 10 a.m., Davis will discuss "U.S. Energy Problems, Issues and Solutions" in room 202 of Yokum Hall. At 11 a.m., he will speak on "Major Upheavals in the Energy Environment and How Exxon has Adjusted its Business Strategies" in the Sibley Hall Cafetorium. During the afternoon, Davis will meet with environmental science students at the Miner Institute.

weekly notes

Dr. Hilton P. Heming, professor in the Center for Teacher Education, was quoted at length in the cover story of the February 15 issue of *Education Week*, which covered the major issues considered at the 1984 meeting of the AACTE in San Antonio. Heming's presentation at that conference included proposed changes in the preparation of teachers. . . . An article, co-authored by **Dr. G.F. Kokoszka**, professor of chemistry; **Dr. Jerzy Baranowski**, a former visiting professor of chemistry; and students **C. Goldstein**, **M. DeAngelo**, and **F. Padula**, with several researchers from other institutions, was published in the last 1983 issue of the *Journal of the American Chemical Society*. The article, based on their research, is entitled "Transmissions of Magnetic Interactions in a Molecular Metal Oxide Cluster." . . . **Dr. Gerhard Gruendling**, professor in the Center for Earth and Environmental Science, and two students, recently attended meetings of the New York State Chapter of the American Fisheries Society and presented papers based on their research. "Age and Growth of Rainbow Smelt in Lake Champlain," by **John Kocik**, a senior biology major, is the result of an independent research project under Gruendling's direction. Kocik was the only undergraduate to have a paper accepted at the meetings. His trip and presentation were supported by a grant from the College Foundation. The second paper, by Gruendling and **Lloyd Wilson**, a former graduate student in biology, was entitled "Composition of Fish Populations and Energy Flow in Sewage-impacted and Non-impacted Lake Champlain Wetlands."

IN VITRO CELL BIOLOGY PROGRAM RECEIVES CERTIFICATION

Plattsburgh State's in vitro cell biology program has been certified by the Tissue Culture Association (TCA), a national non-profit organization dedicated to promoting scientific knowledge concerning the growth, maintenance and experimental use of tissues and cells in vitro. Program director Dr. William Graziadei said that the process, which involved an external review by the TCA's education committee, took approximately a year. The certification, he said, means that the content of the in vitro cell biology program and the training provided to students enrolled in that program meet the standards of the TCA. The certification, he said, will be helpful to students as they complete the coursework and apply either for jobs or to graduate schools. Only two other programs have received certification from the TCA.

The in vitro cell biology program, in existence since 1980, culminates with a semester in residence at the Miner Institute. Eighteen students are spending the current semester at the Miner Center.

STUDENT ASSOCIATION LOBBYING FOR DEFEAT OF TUITION AND ROOM RENT INCREASE

The Student Association on campus is leading a move to defeat the proposed increases in tuition and room rent for 1984-85, according to Spencer Weisbroth, SA executive vice president. Weisbroth said Monday that, to date, close to 1,000 letters lobbying for that defeat have been written by students on campus and sent to State Senator Ronald Stafford and Assemblyman Andrew Ryan. This week, in an effort to extend the movement to faculty, staff and administration, Weisbroth sent a memorandum asking for their support, in which he wrote, "For every \$100 increase in tuition, 3% of the middle income students ineligible for financial aid will have to drop out due to lack of funds, according to a study by the Education Committee of the States. The Governor has proposed pricing 15,000 State University students out of an education and a future." Weisbroth later commented, "We hope the faculty will help us fight these increases!"

ALPHA CHI RHO FRATERNITY ESTABLISHES ACADEMIC AWARD IN HONOR OF NEIGHBOR

The brothers of Alpha Chi Rho have established a new academic award in honor of their next-door neighbor, Retired Colonel Martin Ryan, who died in December. Fraternity president Michael Gebhart said, "Colonel Martin was our next door neighbor from the time the fraternity began in 1971 and was a good friend to all of us. He was very interested in our school work and his first question was always 'How are your grades?' We felt it was appropriate to honor him with a scholastic award." The Colonel Martin Ryan Memorial Scholastic Award will be presented each semester to the brother who has the highest grade point average. The first presentation of the award was made to Andrew Sherman, a senior geography major from Glenmont, NY.

COLLEGE FOUNDATION COMMENDED BY SUNY OFFICIALS FOR 1983 FUND RAISING

The Plattsburgh College Foundation has received compliments from three State University officials, including the Chancellor, for its fund-raising efforts in 1983. SUNY Chancellor Clifton R. Wharton, Jr. commented, "All of you involved in this effort have every reason to be proud of the achievement." Robert Perrin, vice chancellor for university affairs and development, wrote, "The record growth of the Foundation's fund raising is, indeed, outstanding and should stand as an inspiration to other SUNY campuses." Donald Blinken, chairman of the SUNY Board of Trustees, also complimented the Foundation on its efforts, saying, "It is heartening to read of such positive development as the expansion of donors and contributions to your annual giving program and the striking increase in the Foundation's contribution to the college's student aid program. The demonstration of support for State University and the College at Plattsburgh in particular by the many individuals and private businesses which have made these advancements possible is, indeed, encouraging."

SADLER CLAIMS ONE MORE PENTATHLON TITLE

Senior Roger Sadler added six trophies and one more pentathlon title to his collection at the Mansfield State University Forensic Tournament this past weekend. Sadler was the only PSUC competitor to make it to finals in the tournament, described by forensic coach Al Montanaro as "the toughest test this semester." Montanaro said that 24 schools were represented in the tournament, including the nation's second ranked forensic team, George Mason University, and seven others (including Plattsburgh) ranked in the country's top 20 in 1983. With only Sadler earning points, the college's team placed fifth, behind George Mason, Suffolk, St. Joseph's, and LaSalle, and ahead of Cornell, Emerson, and the University of Pennsylvania.

ADVISEMENT FOR FALL SEMESTER BEGINS MARCH 26

The advising and registration period for the fall semester begins on Monday, March 26 and will continue through Friday, April 6. Students should check their advisor's office location and office hours and schedule an early appointment for advisement. Students who are unsure of their listed major or their listed advisor can check printouts at the Student Outreach Center in the College Center or at the office of the Coordinator of Academic Advisement (Kehoe 314). Students may turn in their registration cards at the College Center desk from 9 a.m. to 4 p.m. from March 26 through April 6. Registration results will be distributed to students on Tuesday, April 24 and Wednesday, April 25. Results will be mailed to off-campus students at local addresses and students should check to see that the college has the correct local address. Schedule completion for those students who receive a notice on their confirmation printout will be held April 26 through May 4.

US-ICELAND WOMEN'S TEAM HANDBALL EXHIBITION SCHEDULED

A special exhibition game of team handball between the U.S. Olympic Women's Team and the Iceland National Team will be held at Plattsburgh State next week. The teams will meet at 8 p.m. on Monday, March 5 in the PSUC Field House. Dr. Ernest Rangazas, chairman of the health, physical education, and recreation department, said that team handball, primarily a European sport, is one of the newer sports in the Summer Olympics. The exhibition match is free and open to the campus community and the public.

SPECIAL COURSE ON SOVIET LITERATURE TO BE OFFERED

A special one-credit hour course on Soviet Literature, featuring lectures by two exiled Soviet writers and a specialist on Russian literature, will be offered on campus beginning on April 2. Joseph Brodsky, a well-known poet whose work has appeared in *The New Yorker* and who has published several volumes of poetry in both Russian and English, will lecture on April 2. Vasilii Aksenev, author of novels and short stories, will lecture on April 9. Dr. George Gibion, Goldwin Smith Professor of Russian Literature at Cornell, will deliver the third lecture in the series. The course, co-sponsored by the Institute for Contemporary Studies, the history department and the foreign language and literature department will be held on Monday evenings from 7 - 9:45 p.m. More detailed information about the course is available from Dr. Carol Leonard (564-2232) or Ann Kimmage (564-2829). Registration materials are available in the registrar's office.

PRESIDENT OF BUSINESS FUND FOR CANADIAN STUDIES IN US TO LECTURE THURSDAY

Roy Cottier, founder and president of the Business Fund for Canadian Studies in the United States and vice president of Northern Telecom Limited, will be a guest on campus on Thursday. Cottier will address the Canadian Studies 111 class on "The Canadian Multi-national Corporation in Canada and the World Today" at 11 a.m. in CL 209 and will also lecture on "Public Relations in the Large Corporate Organization" at 1:30 p.m. in CL 202. Both lectures are open to the campus community and public.

VIVIAN GORNICK TO BE FEATURED SPEAKER NEXT TUESDAY

Well-known feminist and author Vivian Gornick will be the guest speaker at both the March 6 Women's Studies Luncheon Forum (12:15 in the Cardinal Lounge) and Tuesday Reflections (4:15 p.m. in the Cardinal Lounge). Gornick, a free-lance writer and journalist, spent 11 years as a staff writer for the *Village Voice*. She is the author of *Women in Science: Portraits from a World in Transition* and the editor of *Women in a Sexist Society: Studies in Power and Powerlessness*. During the rest of the day, Gornick will meet with math and science students and with students in journalism and women's studies courses.

ADIRONDACK LIFE EDITOR TO LECTURE ON THURSDAY

Laurie Storey, editor of *Adirondack Life* will give a public lecture at 3 p.m. on Thursday, March 1 in the Cardinal Lounge. Storey will discuss her role as a woman editor of a major regional magazine, *Adirondack Life's* position on environmental issues, and writing publishable articles for regional magazines. Her lecture is co-sponsored by the English department, the Women's Studies Program and the Center for Earth and Environmental Science.

PLANNING UNDERWAY FOR 28TH NATIONAL LEADERSHIP WORKSHOP

A planning session for the 28th National Leadership Workshop will be held on campus on Thursday and Friday, according to Dr. Nicholas Troisi, dean of professional studies and chairman of the planning committee. The committee is composed of college personnel and the officers and executive staff of the School Administrators Association of New York State. This year's workshop for teachers and educational administrators will be held from July 23 - August 3.

SPORTS UPDATE; DE ARMAS FINISHES SEASON AS TOP SCORER IN ECAC WEST

The hockey Cardinals had a good week, with Peter DeArmas ending the regular season of play as the top scorer in ECAC Division II West, with 26 goals and 37 assists for a total of 63 points. His two goals and six assists in the team's 7-1 win over Middlebury also placed him eighth on the All-time Cardinal Scoring list with 127 points. Michel Valliere stopped 43 shots as the Cards advanced to the second round of the ECAC Division II West playoffs, with a 6-1 win over Elmira College Saturday in Elmira. For his efforts last week, Valliere was named ECAC Division II Goalie of the Week. The Cards move on to play defending NCAA Division II Champion RIT on Wednesday evening in Rochester.

The women's basketball team did not fare as well in post season play, losing 66-58 to Binghamton State in the opening round of the SUNYAC West playoffs. The Cards finished the season 10-12.

The women's swim team finished 10th out of 11 schools in Saturday's SUNYAC Swimming and Diving Championships in Binghamton. Nancy Sawyer set a school record with her fifth place finish in the 100-yard backstroke (1:09.04).

Norm Law's hoopsters finished the season with a 78-75 overtime loss to Clarkson. Senior Jim Hogan set a team record for assists in a game (17) and season (158). Senior Pat McGinn led the 8-16 Cards in scoring, averaging 14.2 points per game. Sophomore Jim Maniatis averaged 14.0 points and 5.9 rebounds per game.

Linda Krasensky won the 1500 meter event at the New York State AIAW Indoor Track and Field Championships in Cortland; however, the Cardinal ace was disqualified in what Coach Dick Fischer called a "ridiculous call" of impeding her nearest challenger in the home stretch. The runner in question said she was not impeded. Sheri Freeman's sixth place finish in the 3,000 meter run gave the Cards the team's only point of the meet.

The men's squad took eight out of 10 teams in the RPI Invitational. Rob Dickerman won the shot put and was fourth in the 35-pound weight throw. Bill Ferreri won the 1,000 meter race and ran a leg on the fourth place 4x800 relay.

BOOSTER CLUB ESTABLISHING SPORTS HALL OF FAME

Plattsburgh State will soon have in place a sports "Hall of Fame." The Cardinal Booster Club, in cooperation with the College's Office of Alumni Affairs, will institute and sponsor the Hall, which recently received the unanimous endorsement of the Club's Executive Committee as well as that of the Plattsburgh State administration. The Booster Club is an organization of alumni and College and community people who share a commitment to fostering excellence in intercollegiate athletics at Plattsburgh State.

As stated in its ByLaws, the Plattsburgh State Hall of Fame has been created to "give recognition to individuals who have participated in the (college's) athletic program and whose achievements and contributions exemplify the ideals of good citizenship." The rules also establish procedures for the creation of a committee representative of all campus constituencies whose responsibility will be to solicit and screen nominees and select candidates for induction.

To be eligible for induction, a nominee must have been a member of the college community. The selection criteria further stipulate that "a nominee must be of good character and an individual who through his/her actions has shown support for the ideals of the college." Inductees will be limited to a maximum of six per year. Procedures governing selection propose also that if candidates are nominated but not inducted, they will be carried on a master list of nominees for a period of five years. If they are not inducted during the five-year span, they may be removed from the list by a majority vote of the committee. Nominations may be made by anyone, but they must be approved by the selection committee by majority vote before being placed on the master list. All nominations must include, in writing, the biographies and athletic achievements of each candidate plus a letter or letters of recommendation supporting each nomination. The selection committee will then choose as many as ten candidates from the master list, rating them on the basis of a point formula. The six inductees will be chosen from the final ten. Details for staging an appropriate induction ceremony are incomplete. However, preliminary planning will focus on the possibility of installation of the first members of the Plattsburgh State Hall of Fame to take place during Homecoming Weekend festivities next fall.

FACULTY APPROVES TWO BY-LAW REVISIONS

Members of the voting faculty approved two by-law revisions last week. Fulltime temporary faculty members who have been on the college payroll for more than one year were given the right to vote on faculty matters. The vote total on the question was: 116 Yes, 44 No, 1 blank ballot.

The second revision, which gave faculty status to professional staff members employed through the Research Foundation, i.e. Special Services, Upward Bound, the Educational Opportunity Program staff members, and voting privileges to these staff members after their first year of employment, was approved, 113 to 48.

RA ASSOCIATION GIVES \$100 TO LIBRARY FUND

The Resident Assistant Association has donated \$100 through the College Foundation to the Library Fund. RAA president Mardi Clement and Vice President Bill Storr presented the check last Friday to Cynthia Whitacre, the Feinberg Gifts Librarian. Clement commented, "For the past four years, RA's have spent two days at Twin Valleys participating in a pre-fall staff training program. Members of the library staff, led by Patricia Bentley have organized, coordinated and personally provided our meal service at Twin Valleys, including all of the cooking and cleaning. This contribution is presented in recognition of this volunteer support for our program from Patricia Bentley, Cynthia Whitacre, Nancy Hoshlyk, Jeanne Hahn and Julie Davies."

Whitacre expressed the gratitude of the library staff and said that the money would be used to purchase materials in college student personnel administration and counseling. The R.A. Association, to which all RA's and dorm directors belong, has 104 members.

(l to r) Mardi Clement, Bill Storr, Cynthia Whitacre, Cheryl Hogle.

ROARK ELECTED PRESIDENT OF CAS BOARD

Dr. Eldridge Roark, vice president for student affairs, was elected president of the College Auxiliary Services Board at the board's last meeting. Spencer Weisbroth and Cheryl Hogle were elected vice president and secretary, respectively. Named to the executive committee were Dr. Marilyn Chase, Dr. Ann Hasting, Russ Monaco, Christine Sloben, and Thomas Swan. In other business, the membership of both the Program and the Finance Committees were approved. Named to the Program Committee were: Sloben, Swan, Weisbroth Hogle, Hasting, Roark, Perry Cuocci, and Liz North. Finance Committee members will be: Jeff Nimerofsky, Monaco, Brad Bach, William Woltjen, Mal Lavery, Dr. Nicholas Troisi, Ron Nye (ex-officio) and Stan Supinski (ex-officio).

OMICRON DELTA KAPPA INITIATES 35

The campus chapter of Omicron Delta Kappa, the national leadership honor society, initiated 35 members on Saturday, March 3. The 35 initiates bring to 262 the total number of Plattsburgh students, faculty, staff, and alumni who have been honored with membership in the society. Membership in ODK is based on exemplary character, responsible leadership and service in campus life, and outstanding scholarship. The new members are majoring in 21 different fields of study, and the group mean Grade Point Average is 3.358.

PLATTSBURGH ALUMNI LOBBY DURING LEGISLATIVE DAY, ATTEND RECEPTIONS

Several Plattsburgh alumni participated in a SUNY Legislative Day on Tuesday, as part of a state-wide effort to bring the accomplishments and the problems of the SUNY system to the attention of state legislators. During the day, the alumni visited with their home area legislators to discuss the impact of Governor Mario Cuomo's proposed 1984-85 budget on the SUNY system as a whole and on the various campuses in particular. Tuesday evening, alumni and legislators gathered informally at a cocktail reception at the Empire State Plaza.

On Monday evening, sixty alumni who are currently employed in various state agencies attended a Plattsburgh State reception at Ogden's Restaurant in Albany. The reception was hosted by President Burke and Mal Lavery, director of alumni affairs.

COLLEGE COUNCIL TO MEET MARCH 8

The next meeting of the College Council will be held at 2 p.m. on Thursday, March 8 in the Tenth Floor Boardroom of the Kehoe Administration Building. Agenda items will include writing-across-the-curriculum, enrollment management, and equipment replacement and building repairs.

THREE PLANNING SYMPOSIA TO BE OFFERED

Plattsburgh State faculty will join with speakers from the New York Department of State to present three planning symposia within the next month. The first, set for March 28, will feature a discussion of "Plattsburgh's Student Ghetto: Housing and Neighborhood Planning," by Dr. Bryan Higgins, "Easels and Real Estate: Soho and Community Planning," by Dr. Charles Simpson, and "The Reindustrialization of American Cities — Planning in a Vacuum," by Dr. Michael Black. The second symposium, scheduled for April 5, will feature a discussion of "Planning Boards and Zoning Boards of Appeal." The third, "Rural Planning," will be held on April 10. Dr. Charles Zinzer will discuss "Point Au Roche: Planning Issues and Proposed Development," Dr. William Culver and Dr. Cornell Reinhart will consider "Rural Zoning and the Poor," and Dr. Richard Lamb will speak on "Alternatives to Zoning."

All three symposia will be held at 7:30 p.m. in the Cardinal Lounge and are free and open to the campus community and public.

NATIONAL SIGMA XI LECTURE TO BE HELD ON CAMPUS APRIL 5

Dr. Edward P. Tryon, professor of physics at Hunter College and a Sigma Xi National Lecturer for the past two years, will present a lecture on campus on April 5 at 8 p.m. in Hudson Hall Room 106. Tryon's topic is "Nature Abhors a Vacuum: Origin of the Universe?" and he will discuss the "big bang" theory of the creation of the universe, describing the basic ideas underlying that conjecture and the difficulties which the theory has encountered. Tryon is the author of 23 publications on high energy physics, gravitation and cosmology.

'BROWN SUGAR' AUTHOR TO SPEAK ON CAMPUS AFTER BREAK

Donald Bogle, author of *Brown Sugar* and *Toms, Coons, Mulattoes, Mammies and Bucks*, will be a guest on campus on Tuesday, March 27. He will speak at the Women's Studies Forum on "Black Women Superstars" at 12:15 p.m. in the Cardinal Lounge and will address the issue of "Blacks in American Film" at the 4:15 p.m. presentation of Tuesday Reflections, also in the Cardinal Lounge. Bogle, who holds a master's degree in creative writing, lives and works in New York City as a film critic and free-lance writer. *Brown Sugar* has been adapted for television and will be broadcast on public television stations in the near future. Bogle's visit is sponsored by the Women's Studies Program, Minority Studies, the Office of The Dean of Arts and Science, and AKEBA.

SPEAKER'S FORUM TO HOST DR. RUTH WESTHEIMER

The Plattsburgh State Speaker's Forum will present talk show celebrity and sexual relations expert Dr. Ruth Westheimer, Wednesday, March 28 at 8:30 p.m. in Hawkins Hall. Dr. Westheimer's topic is "Sexually Speaking." She has discussed the subject on several talk shows, including Late Night With David Letterman. Tickets are \$2 SA members and \$5 public, on sale at the College Center Desk. The lecture is sponsored by the mandatory SA fee.

SPORTS UPDATE; TRACK AND SWIMMING RECORDS FALL

Bill Ferreri set a meet, school and track record with his 1,000-meter win at the SUNYAC Indoor Track and Field Championships Saturday at Fredonia State. Ferreri's time of 2:30.42 stands as one of the top times at the New York State Division III level. Rob Dickerman finished second for the Cards in the shot put with a toss of 48'8". The Cardinals finished eighth in the nine-team meet.

Linda Krasensky qualified for the NCAA Division III track and field outdoor meet with a school-record time of 10:16.64 in the 3,000 meter event at the ECAC Women's Championships Saturday at Bates College. Krasensky finished fifth in the event. Charlene Fenton set a school record with a 61.42 time in the 400 meter dash. Plattsburgh State will host the SUNYAC Women's Indoor Track and Field Championships on Friday, March 9, beginning at 11:00 a.m. at the Field House.

Mark Beamish and Steve French set school records in the SUNYAC Swimming and Diving Championships Saturday at Cortland. Beamish finished fifth in the 1650-yard freestyle, with a time of 17:51.62, nearly seven seconds better than the previous 15-year record. French set his mark in the 200-yard breaststroke (2:27.23). The Cards finished eighth in the 11-team field.

RIT scored five third-period goals to eliminate the Cardinal icers from the ECAC Division II West playoffs, 6-2, Wednesday at Rochester. Michel Valliere had 40 saves for Plattsburgh State, keeping the Cards in the game for two periods. Dan Zanon and Doug Smoke scored the Cardinal goals. Plattsburgh finished the season with a 16-18 overall record, 15-12 in Division II.

CALENDAR NOTES

The Spinning Wheel Fabric Shop will sponsor "Fashion Magic 1984," a benefit show for Plattsburgh State and Clinton Community College. The show will be held on Tuesday, March 27 and Wednesday, March 28 at 7 and 8 pm each night. This event will take place poolside at Howard Johnson's Motor Lodge on Route 3. Door prizes will be raffled at the end of each show. Garments will be made by campus and community members. Tickets are on sale at the Spinning Wheel: \$2.50 for SA students, \$3.00 for general public or through Mary Lou Strodel at 562-0764.

The Educational Opportunity Program is seeking **applications for summer peer tutor/counselors**. The E.O.P. Summer Program will run from June 25th through August 4th. In addition, one week of training will be held from June 18th through the 22nd. Peer tutor/counselors will make approximately **\$804.00** for the six-week session and will be provided with room and board. Each will be responsible for approximately 10 E.O.P. freshmen for the Summer Program. Applications may be picked up in the E.O.P. office, College Center Room 118, and must be returned no later than Friday, March 9, 1984.

Each year the New York State Legislature awards **ten Graduate/Post Graduate Fellowships** to provide students an opportunity to gain an understanding of our governmental system, and attract these students to a career in public service. Fellows receive **\$15,800** for the year, and are eligible for other State benefits. The deadline for applications is May 18, 1984. For more information, stop by Kehoe 301, or call Richard Robbins at 564-2195.

The last day to **withdraw** from a **full-semester course** without requiring the instructor's and department chairperson's approval is Friday, April 6th. This date is changed from the previously published date in the official 1983-84 calendar, because of a Faculty Senate policy that was passed in December of 1983.

The new date allows students the opportunity to review their mid-semester grades, and to discuss their academic progress with their advisors during the advisement period. Course withdrawals made after the end of the advisement period will require the approval and signature of the instructor and Department Chairperson/Center Director. Withdrawal dates for mini-courses and second quarter courses are unchanged and are included in the Master Schedule. Questions regarding these dates may be referred to the Registrar's Office.

ANNUAL GIVING CAMPAIGN UNDERWAY; GOAL SET AT \$187,710

The Plattsburgh College Foundation's 1984 Annual Giving Campaign kicked off on March 12 with a meeting of the annual giving leadership. E. Glenn Giltz, president of the Foundation, announced that the 1984 goal has been set at \$187,710. "This is an ambitious figure," he said, "but with costs increasing every year for students, financial need is also increasing. Every student we help is an investment in our future."

Curtis E. Shipman, president of the Keeseville National Bank and vice president of the Foundation, will chair the annual giving program for the fourth consecutive year. Under Shipman's leadership annual giving has increased from \$104,892 to \$180,364. Two new categories have been introduced for this year's drive. Dr. Bruce Butterfield, associate professor of English, and Dorothy Jackstadt, the college's registrar, will co-chair a separate fund drive for faculty and staff at the college. Although this will be the first official year for this category, last year 76 faculty and staff members donated \$7,946, for an average gift of \$104. The other new category this year is one for organizations. Formerly included in the Business campaign, the section will be chaired by Elizabeth Kelly.

Other categories within the annual giving campaign and their chairpersons include: Alumni — Mal Lavery; Cardinal Booster Club — John Carpenter and Thomas Glasgow; Business/Corporate — Clifford Calongne and Harry Mowry; Friends — Martin D. Mannix, Jr. and Jacqueline Walker.

Source of Income	1983 Results	1984 Goal
Alumni	\$53,756	\$61,819
Booster Club	3,736	4,296
Business/Corporate	64,319	68,178
Faculty/Staff	7,946	9,138
Foundations	7,500	7,500
Friends	20,169	23,194
Organizations	12,938	13,585

PROPOSED \$200 TUITION INCREASE MAY BE DELETED FROM EXECUTIVE BUDGET

A proposed \$200 increase in tuition for the 1984-85 academic year may be deleted from the Executive Budget, according to reports published last weekend. SUNY Central officials said Monday that no official word has been released on the budget details, but quoted media sources as saying that the legislative leadership has agreed to eliminate the proposed increase. It was not known whether Governor Cuomo would approve the move. In addition, sources said that funds that would have been raised by the increased tuition will reportedly be provided instead through previously under-reported revenues and through "cuts in other programs." What those other programs might be was a matter of speculation as *Weekly* went to press.

Plattsburgh's College Council went on record on March 8 as opposing the proposed tuition hike, unanimously passing a resolution to that effect. The resolution also urged the legislature to appropriate such money as may be necessary to fund the SUNY budget at its proposed level and make no further cuts in personnel or other categories essential to operations.

By law, the fiscal 1984-85 budget must be in place by April 1, and sources in Albany said that it appears the Legislature and the Governor will meet the Sunday deadline.

RETIREMENT BONUS SYSTEM BEING CONSIDERED BY LEGISLATURE

The 1984-85 budget currently under consideration by the New York State Legislature contains a section, which, if passed, would provide an incentive for 68 Plattsburgh State faculty and administrative personnel to opt for early retirement. If the bill passes, eligibility for the program will be granted to all university employees who were 55 or older, on the payroll as of January 31, 1984, and members of either the Teachers' Retirement System or TIAA/CREF. The budget bill will grant an additional three years of service credit to members of TRS or a contribution equal to 45% of salary as of January 31, 1984 to members of TIAA/CREF, should they elect to retire. The retirement date must be at the end of an academic session (unless approved by the campus president), but no later than February 1, 1985. The election period will be between May 1 (or the date of passage, if later) through July 31, 1984. The bill further provides that positions vacated through early retirement will remain with SUNY and will be refillable. The potential SUNY-wide pool of applicants totals 2,686 employees.

Further details will be available through the Personnel Office if and when the bill is passed and signed into law.

SEARCH COMMITTEE FORMED TO SELECT NEW HOCKEY COACH

Following the resignation of Plattsburgh State hockey coach Doug Kacharvich on March 8 "for personal reasons," a search committee has been formed to find a replacement. The committee, chaired by Dr. Eldridge Roark, includes Dr. Ernest Rangazas, Norman Law, Lawrence Arcarese, Suzanne Sokolowski, Sue Viscomi, Bob Walleit, Peter DeArmas, Ed Condon, John Rice and John Swift.

The position has been advertised and the deadline for applications is April 12. Roark said that the committee hopes to name a new coach before the end of the semester.

Kacharvich came to Plattsburgh State in the fall of 1982 from Lake Superior State College, his alma mater, where he had been assistant hockey coach and instructor of physical education for five years. In his two years as coach of the Cardinals, his teams posted overall records of 20-12-1 and 16-18 respectively.

SADLER NAMED ODK PROVINCE I LEADER OF THE YEAR

Senior Roger Sadler has been named "Leader of the Year" for Province I of Omicron Delta Kappa, the national leadership honor society. Sadler won the award over six other nominees from colleges within the province. ODK's Province I includes 20 chapters at colleges and universities in New York, New Jersey, Delaware, Maryland, Washington, D.C., and most of Pennsylvania. The "Leader of the Year Award" is conferred on the basis of superior academic achievement coupled with a record of outstanding accomplishments in extracurricular activities and campus and community service. Sadler, who was named the Plattsburgh State award winner earlier in the year, will now represent Province I in the national "Leader of the Year" competition this summer.

Sadler's primary extracurricular activity at Plattsburgh State has been his participation in the Forensic Union. He is only the third person in the country ever to win over 200 trophies in forensic competition and currently holds 205 career trophies with several tournaments still ahead. He holds the team and Northeastern Forensic League record for most points scored in a single tournament. He won the NFL cumulative pentathlon title this year with a record score of 284 points, breaking his own record of 245 points set last year. Partly because of his success in forensic activities, Sadler was the first student chosen to deliver a commencement address. In December, 1983, he addressed the graduating seniors on heroes in today's society and urged them to find their heroes close to home — in parents, teachers, and friends. Sadler is also president of the Forensic Union, president of Phi Kappa Delta, the campus chapter of the national honorary society for forensic excellence, and president of the Newman Association. He is listed in the 1983-84 edition of *Who's Who Among Students in American Colleges and Universities*.

APRIL IS AN ARTS FESTIVAL

During the last days of March and the entire month of April, numerous events have been scheduled by the Center for Art, Music and Theatre as part of the "Arts Festival '84." Sculptor George Sugarman will lead off the events with a lecture at 8 p.m. on March 29 in the College Center Ballroom B. Sugarman is a highly successful artist whose works are included in the collections of major museums. In addition, he has executed large scale public sculptures in several cities. He will appear on campus through the Visual Artists Series.

That same day, the Brown Bag Series will present "The Harpsichord: Solo and in Ensemble," with performances by Louise Dionne, Hans Himelein, Jeff Woodruff, Betsy Frye, Kate Collie, Leo Mayer, and Karen Brooks. That recital will be held at 12:15 p.m. in the Myers Gallery.

Three art exhibitions will open with a reception on Sunday, April 1 from 2 - 5 p.m. A collection of prints and drawings by Thom O'Connor will be on exhibit in the Myers Gallery; photographs by Pern Van Camp will be on exhibit in the Rockwell Kent Gallery Alcove; and paintings and watercolors by various students will be displayed in the Myers Lobby.

April 3 is the day of the "Jazz Festival." During the afternoon (3 - 5 p.m.) several area high school bands will play for each other and the general public in the College Center Ballroom. At 7 p.m. that same evening, the college's Jazz Ensemble will be joined by drummer Louie Belson for a concert in the Blue Room.

SPORTS UPDATE; CARDINALS EARN POST-SEASON AWARDS

Cardinal basketball standout Anne Slattery has been named SUNYAC Player of the Year for the 1983-84 season. Slattery led the Cardinal women in scoring with 19.6 points per game. She also led the team in free throw percentage (68.7%), assists (3.1 per game) and steals (2.1 per game). Maureen McClendon also earned All-SUNYAC honors, averaging 10.4 points per game for the Cards, and pulling down an average of 4.4 rebounds per game.

Peter DeArmas was selected to the Eastern College Athletic Conference Division II West Hockey Team and the SUNYAC First Team. The junior winger from Marina Del Rey, CA lead the ECAC West in scoring with 27 goals and 39 assists in Division II play and 30 goals and 43 assists overall. DeArmas, now eighth on the Cardinal all-time scoring list, is only 59 points from the record, and has another year with the Cardinals. Defenseman Doug Smoke also earned First-Team SUNYAC honors. Freshman Dave Piromalli was named SUNYAC Rookie of the Year and Cardinal goalie Michel Valliere was selected Second-Team SUNYAC.

The Plattsburgh State track and field teams saw action over the March break. Linda Krasensky won the SUNYAC 1500 meters race and took third in the 1000 to help the Cardinal women to a fifth place finish in the first SUNYAC Indoor Women's Track and Field Championships at Plattsburgh.

Rob Dickerman won the New York State Track and Field Association shot put event and Bill Ferreri took second in the 1000 meters in the March 17 meet.

LASER LIGHT SHOW TO COME TO PLANETARIUM

The first laser light planetarium show in the North Country will be seen at Plattsburgh State in early April. "Laser-Rhythm '84" will be presented April 6-8 and April 10-15. Planetarium director Glenn Myer explained the show, "The planetarium's 360 degree theater is combined with rapidly changing patterns of lasers and the precision of a computer. The light show is accompanied by the music of Genesis, Boston and the Rolling Stones to produce an impressive experience in sight and sound." Shows will be held nightly at 7:30 and 8:30 p.m. and at 2:30 and 3:30 p.m. on weekends. Tickets (\$2.50 for the general public and \$2 for PSUC students) are on sale at the Hartman Theatre Box Office.

CO-OP/INTERNSHIP WORKSHOP SCHEDULED FOR APRIL 3

The Cooperative Education office will present a workshop for faculty and students entitled "Learning and Doing — Experiential Education and the Liberal Arts" on April 3, 1984, 3:00 to 5:00 p.m., in the Cardinal Lounge. The basic theme of the workshop will concentrate on the learning aspects of Co-ops and Internships. Participants in the workshop will include: Dr. Dennis DeLong, Director of Empire State College Public Affairs Center and Director of the Albany Semester Program; Mr. Michael Donovan, Unit Manager Auditing Department, Internal Revenue Service, Albany; Ms. Susan Briggs, PSUC Co-op student with IBM; Dr. Richard Robbins, Associate Vice President for Academic Affairs; and Dr. Douglas Skopp, Chairperson, Department of History. Faculty and students are encouraged to attend.

ROSENBERG SYMPOSIUM TO CONSIDER THE CHURCH AND SECULAR MOVEMENTS IN LATIN AMERICA

This year's Rosenberg Symposium will consider various aspects of "The Church and Secular Movements in Latin America." Symposium organizer Stuart Voss announced the schedule this week. On Thursday April 5, Dr. Laura O'Shaughnessy, St. Lawrence University department of government, will lecture on "The Church and the Sandinistas in Nicaragua," at 7:30 p.m. in the Blue Room. From 10 a.m. until noon on April 6, three speakers will lecture in the Cardinal Lounge. Dr. Carl Meacham of SUNY Oneonta's department of political science, will talk about "The Church, Allende, and the Military Regime in Chile;" Father Ernie Schibli, assistant to the Bishop of Montreal for justice and peace issues, will discuss "Catholics, Protestants, and the Military in Guatemala;" and Father Peter Byrne, who has just returned from service in Peru to become rector of Maryknoll Seminary, will talk about "The Church in Peru." On Friday, from 2 - 4 p.m., the four participants will conclude the symposium with a panel discussion in the Cardinal Lounge. All sessions are free and open to the campus community and the public.

FORMER PRESIDENT ANGELL DIES IN NORTH CAROLINA

Dr. George W. Angell, president emeritus of Plattsburgh State University College, died today (March 30) at Moore County Hospital in Whispering Pines, North Carolina, following a lengthy illness. He was 71.

Dr. Angell and his wife, Ruth, who survives, had maintained a winter residence at Whispering Pines, NC.

President of Plattsburgh State from 1954-1974, Dr. Angell spearheaded the growth of the College from a two-building, teacher-training institution to a comprehensive college of arts and science enrolling 4,500 students in more than 40 degree programs. At the same time, he strengthened its quality, improved its capacity for self-governance, and encouraged new kinds of college-community relationships.

Dr. Joseph C. Burke, Plattsburgh State's current president, who succeeded Dr. Angell, said on learning of his predecessor's death: "The true meaning of George Angell's twenty years as president of Plattsburgh State cannot be found in bricks or mortar, but in the effect he had on the College's people. When I became president after his retirement, I said that I succeed George Angell, no one can replace him. Indeed, that is true—no one will replace George Angell, but his memory will live on with the hundreds of faculty and staff and the thousands of alumni who knew and loved him."

Mrs. Judith L. Duken, a 1959 alumnus of Plattsburgh State, and a member of the State University Board of Trustees, commented upon hearing of Dr. Angell's death: "I am only one of countless former students who share warm and grateful recollections of President Angell and who today mutually grieve the loss of a friend and mentor. George Angell provided leadership, counsel, influence and inspiration that defies description. I am deeply aware and appreciative of this legacy and of the lasting contributions he made to the development of human resources in our city, state, and nation."

During the 20 years that he served as PSUC's president, Dr. Angell assigned top priority to attracting and maintaining quality faculty and students and establishing a center of academic excellence, innovation, and responsiveness to public need. From the management point of view, Dr. Angell emphasized continuing institutional self-evaluation, fiscal responsibility, sound program planning, and effective utilization of resources.

In addition to his commitment to the College, Dr. Angell was concerned with expanding educational opportunities and improving the economic health of the North Country. He was instrumental in bringing educational television to the area, with programming originating from the Plattsburgh campus.

Similarly, it was Dr. Angell who proposed creation of a network of cooperative agencies which would foster economic growth and progress in a vast 16-county region characterized by underdevelopment and underemployment. Through his efforts, economic development offices were established in the Black River-St. Lawrence District, in the Mohawk Valley District, and in the Eastern Adirondack District.

President Angell created a campus-based Economic and Business Research Institute which implemented and coordinated a program designed to counteract conditions of extreme poverty and economic depression in the region. The institute served as a model program which led to the creation of the College's Technical Assistance Center (TAC).

Dr. Angell was also instrumental in the creation of the Plattsburgh College Foundation in 1963, which in 1983 provided \$250,000 in scholarships to students. The Foundation also provides funds for research and study grants to faculty and students. In addition to assisting in its creation, Dr. Angell advanced the Foundation's cause, through the establishment of the George and Ruth Angell Endowment Fund.

Similarly, Dr. Angell was a prime mover in the establishment of an alumni association. Even before the State University's central administration had recognized the vital importance of SUNY alumni, Dr. Angell created an office of alumni affairs on the Plattsburgh campus in order to secure close ties between the College's alumni and their alma mater.

Before coming to Plattsburgh, Dr. Angell was dean—and later acting president—at New Paltz State Teachers College. His prior career in higher education included service as a consultant to the American Council on Education in Washington; as chairman of higher education at Michigan State University, and as director of the Evaluation Service Center at Syracuse University. The latter institution, from which he received his doctoral degree, conferred upon him an honorary doctor of law degree in 1956.

Following his retirement as president of Plattsburgh State in 1974, Dr. Angell began a second career which gained him national recognition. He became director of the Carnegie Corporation-funded Academic Collective Bargaining Information Service, in Washington, whose information, research, and consultation services were made available to more than 1,000 colleges and universities nationwide.

In addition to serving as a higher education consultant in many states, in 1975 he was invited to serve as a special consultant to the New York State Senate's Committee on Higher Education because of his comprehensive understanding of both public and private higher education in New York.

Angell was honored by election to several learned societies including Phi Delta Kappa, Phi Sigma and Phi Mu Epsilon, and with several prestigious awards. Perhaps the most important award he received was the James E. Allen, Jr. Memorial Award for Distinguished Service to Education, conferred upon him by the New York State Board of Regents in 1978. Allen, a former New York State and U.S. Commissioner of Education who died in a plane crash, was a personal friend of Dr. Angell's. In 1966 he was honored as Citizen of the Year by the Joel Lodge of B'nai B'rith in Plattsburgh. Two years later he was recognized by the Plattsburgh Rotary Club, which named him Rotarian of the Year. In 1974 he was awarded the Liberty Bell Award of the Clinton County Bar Association, and in 1974 he received the College's Distinguished Service Award, the highest award the College can bestow.

The former Plattsburgh president served on numerous state, national and international boards and committees. During his tenure, Angell served as director and chairman of the Board of the New York State Council on Economic Education; a member of the Committee on Higher Education of the New York State Teachers Association, a member of the American Council on Education's Commission on International Education and its Committee on Intercultural Education and World Affairs; a director of the Champlain Valley Physicians' Hospital Medical Center of Plattsburgh; and a member and chairman of the Committee on International Education of the American Association of State Colleges and Universities.

During the final years of his presidency, Angell published a number of articles in professional journals and addressed regional and national audiences in the field of labor relations in higher education.

He was a former director of the Plattsburgh and Clinton County Chamber of Commerce; the Clinton County Heart Fund; and the Clinton County United Fund. A past president and honorary life member of Rotary International, he received Rotary's Paul Harris Fellow Award in 1983 in recognition of his outstanding service to that organization and to the community.

Dr. Angell was born in Ilion, New York on June 19, 1912. He was married in 1939 to the former Ruth Humphrey of Suffern. Dr. Angell was the father of three children: Susan Angell Palmer of Plattsburgh, Eric Angell of North Andover, MA; and Carol Angell Beauvais of Westport. Also surviving are five grandchildren and two brothers: Warren Angell of Shawnee, OK; and Ronald Angell of Ilion.

No funeral services are scheduled. The body will be cremated.

The family requests that donation in honor of Dr. Angell be made to the George and Ruth Angell Endowment Fund with the Plattsburgh College Foundation.

ARTICULATION AGREEMENTS SIGNED WITH 12 SUNY TWO-YEAR COLLEGES

Articulation agreements have been signed by Plattsburgh State and 12 community colleges within the SUNY system, according to Dr. Richard Robbins, associate vice president for academic affairs. Robbins explained that the agreements are designed to promote easy transfer from the two-year colleges to Plattsburgh State. The agreements stipulate that associate degree holders from the various two-year institutions who are admitted into a parallel program here will be granted full junior standing, and will be able to complete the requirements for a bachelor's degree in four semesters or less of full-time work.

The articulation agreements have been completed through the close cooperation of administrators and department chairpersons at each of the schools. Prior to the agreement, each potentially parallel program was carefully reviewed to determine whether the coursework at each institution is appropriate and adjustments were made where possible. Brochures were then prepared for the students at each community college outlining the requirements for easy transfer. Students who apply to transfer to Plattsburgh State must still meet the standard admissions requirements, Robbins said.

The new agreements have been signed with Adirondack, Canton, Columbia-Greene, Delhi, Fulton-Montgomery, Herkimer, Hudson Valley, Monroe, North Country, Onondaga, Schenectady, and Suffolk Community Colleges. Agreements with Clinton Community College and Cobleskill Agricultural and Technical College have been in effect for some time. Robbins added that the eventual goal is to have articulation agreements with all of the SUNY two-year colleges.

FOUR FACULTY MEMBERS RECEIVE GRANTS

Four faculty members shared in grants awarded this week. The largest of the grants was awarded to Dr. William Graziadei, coordinator of the in vitro cell biology program. Graziadei received \$23,000 through a research equipment matching fund program to purchase a Beckman LS 5800 Liquid Scintillation Counter. The Miner Foundation provided \$11,500, which was matched by the SUNY Research Foundation. Graziadei explained that the piece of equipment is used to determine the amount of radioactivity in tracer experiments which revolve around tissue culture, interferon production and the in vitro cell biology program.

Dr. Paula Yellin, assistant professor of psychology, received a total of \$5,977 from two sources to fund her work on a project entitled "Relationship of Impulsivity to Mental Processing Style in Hyperactive, Acting-Out and Normal Children." The National Association of School Psychologists provided \$4,877 toward the project and the Upstate Medical Center has awarded an additional \$1,100 to Yellin.

Drs. Martha Frost and Michael Ritty, assistant professors in the Center for Human Resources and the Center for Teacher Education, respectively, received \$1,000 from the Campaign for Human Development of the Diocese of Ogdensburg to further their work on their project involving Schools and Single Parent Families.

FOUNDATION ACCEPTING GIFTS TO ANGELL ENDOWMENT FUND

Many people have asked how they can make a donation in honor of the late Dr. George W. Angell. Others have asked for Mrs. Angell's address for the purpose of sending cards. Those wishing to make a donation in any amount to the George and Ruth Angell Endowment Fund should send a check, made payable to The Plattsburgh College Foundation, Inc., to the Office of College Relations. In the lower lefthand corner of the check, please indicate that the contribution is for the George and Ruth Angell Endowment Fund. A letter acknowledging the gift will be sent to the donor (without the amount stated) and a copy of the letter will go to Mrs. Angell. Those wishing to send cards should address them to: Mrs. Ruth Angell, 205A South Lake Shore, Carthage, NC 28327.

DR. EUGENE LINK PUBLISHES BOOK ON CIVIL LIBERTIES UNION LEADER

Dr. Eugene P. Link, professor emeritus of history, is the author of a recently published book entitled *Labor-Religion Prophet: The Times and Life of Harry E. Ward*. The book, the first biography of Ward, who was the first national chairman of the American Civil Liberties Union, was published by Westview Press as part of the Academy of Independent Scholars Retrospective Series. Link calls Ward "a pioneer of dialogs between religion and Marxism." Link writes, "The Social Creed of the Churches, which (Ward) wrote in 1907, was the first significant religious document written in the United States to confront industrialism; that treatise and the trade unions established the basis and provided the atmosphere for the reforms of the New Deal."

Link began his association with Ward as a student at Union Theological Seminary in the 1930's, and, when Link married, Ward performed the ceremony. Link began teaching at Plattsburgh State in 1963 and retired in 1977. He recently returned from China where he taught American history and literature at Zhongshan University for a semester.

COMMUTER CENTER OPENS IN ANGELL COLLEGE CENTER

The Plattsburgh State Commuter Club, in conjunction with the Office of Campus Life, has opened a Commuter Center on the second floor of the Angell College Center. The "Center," previously the Garden Lounge, is open weekdays from 7 a.m. to 6 p.m. "The Center provides commuting students with a place to relax, study and pick up information geared towards the commuter," said Commuter Club Co-Chairperson Traci Moorcroft. Persons interested in the Commuter Center or the Commuter Club are encouraged to attend weekly meetings, which are held on Wednesdays at 12:15 p.m. in the Commuter Center.

PHI UPSILON OMICRON INDUCTS ELEVEN

Plattsburgh State's Beta Epsilon Chapter of Phi Upsilon Omicron, a national honor society in home economics, recently inducted 11 new members. Dr. Marty Frost and Mrs. Jeri Linney, advisors, and Michelle Kresge, chapter president, welcomed new members during a candle ceremony followed by a reception. Initiates are selected on the basis of outstanding academic achievement, leadership ability, professional promise, and a well-rounded participation in Home Economics. The following students were inducted: Judy Bedard, Anne Calnon, Margaret Clifford, Kathleen Collins, Mary Kennedy, Kim Lawrence, Debra Lundberg, Lisa Melillo, Renee Rosemark, Mariane Simas, and Dorothy Smith.

BARTON-WINKEL SHOW OPENS IN ALBANY; CAMPUS ARTS FESTIVAL CONTINUES

An exhibition of 28 works by Edgar Barton, professor in the Center for Art, Music, and Theatre, and award-winning sculptress Nina Winkel of Keene has opened in the Plaza Gallery at SUNY Central in Albany. The exhibition is a smaller rendition of the Barton-Winkel exhibition held in the Myers Fine Arts Gallery a year ago and will be on view through June 10. The opening was marked with a reception to which many Albany-area alumni were invited.

The Arts Festival continues on campus this week, with two concerts and a lecture. On Thursday, April 5, the Champlain Trio will perform at 8 p.m. in the Hartman Theatre. The program will include works by Haydn, Ravel, and Dvorak. On April 10, soprano Judith Raskin will perform at 8 p.m. in Hawkins Hall. Ticket information for both concerts is available through the Hartman Box Office.

Art critic, author and reviewer Hilton Kramer will lecture at 8 p.m. on April 12 in the Angell College Center Ballroom. Kramer is editor of "The New Centurion," a monthly review of the arts. He was art news editor, art critic and later cultural editor at the "New York Times" between 1965 and 1982. Kramer's lecture is free and open to the public.

TWENTIETH ANNUAL ACROTHEATRE SHOW SCHEDULED FOR APRIL 12-14

"Spectrum '84", the twentieth annual Acrotheatre show, will be presented nightly at 8:30 p.m. from April 12-14 in the Memorial Hall Gymnasium. Acrotheatre, under the supervision of Bud Beyer, will feature 45 performers in 30 different acts. Student director Stephen Donnelly said that the entertainment will include mime, juggling, acrobatics, gymnastics, dance and magicians. Additions to this year's show include Adagio and Break-dancing. This year's Acrotheatre officers are Sandy Krause, president; Mike White, vice president; Marilyn Mitchell, secretary; and Tim McDonough and Matt Grandchamp, co-treasurers. Tickets for "Spectrum '84" are now on sale at the Angell College Center desk at \$1 for SA students, \$1.50 for non-PSUC students under 17, and \$2.50 for the general public.

ANNUAL CAREER NIGHT PROGRAM SCHEDULED FOR APRIL 11

The College's tenth annual Career Night program will be held on Wednesday, April 11 from 7 to 9:30 p.m. in the Angell College Center Ballroom. Approximately 45 employers will be represented by about 75 participants. Fran Patnode, program coordinator from the Career/Life Planning and Placement office, commented, "This is the largest single effort sponsored by this office to enhance our students' career development through personal contact and information exchange with professionals in the field." All students are invited to attend the Career Night Program.

The following day has been designated "Recruitment Day," and a large number of organizations will schedule individual employment interviews on campus. Interview registration will be conducted in advance and students interested in making appointments should do so through the Placement Office (564-2071).

RESIDENT ASSISTANTS SELECTED FOR 1984-85

The Office of Campus Life has announced completion of the R.A. selection process to fill positions for the 1984-85 academic year. Forty-nine current staff who successfully completed their 1983-84 tenure were reappointed to second and/or third year terms. SPORTS UPDATE; MANIATIS NAMED ALL-SUNYAC

Jim Maniatis has been named to the 1983-84 All-SUNYAC East Basketball Team. Maniatis also earned honorable mention All-SUNYAC for both divisions. The 6'4" sophomore from Montreal averaged 14.0 points and 5.9 rebounds a game for the Cards. "He had a great season," said Cardinal coach Norm Law. "He was the most consistent player on the squad. With continued improvement he will be a legitimate All-American candidate next season." Plattsburgh State had an 8-16 record; however, the Cards defeated nationally ranked Norwich, SUNYAC rival Albany State and lost six games by 11 points. Maniatis played a key role in the Albany State game, scoring 22 points and ripping down nine rebounds in the 81-77 Cardinal win, the team's first in four seasons over the Great Danes.

FORENSIC TEAM MAKES IT NINE IN A ROW

The Forensic Union won its ninth consecutive New York State Championship title this weekend — and won it impressively. Forensic coach Al Montanaro said Plattsburgh won nine of the eleven available individual titles and took 30 of the 60 possible awards. In addition, Montanaro said, the team “closed-out” an event (placed all five finalists in that event), a feat that has never before been accomplished in the state tournament, nor ever been done by Plattsburgh in its 14 years of competition. The team also placed four of the five finalists in three other events.

Leading the team was Roger Sadler who won three individual titles and the Pentathlon title. Other individual title winners were Veronica Fitzgerald, Gene Thomas, Cyndi Strever, Johnna Eckleman, and Shaughn Clancy. In addition, Debbie Pacyna, Helene Lantry, and Rich Sgaglio each finished in the top five in more than one event.

Thirteen teams participated in the tournament, held at Dutchess Community College, including Ithaca College, Hofstra University, Cortland State, Queens College, West Point, Canisius College and St. John's University. The Plattsburgh team earned 246 points, while St. John's was second with 214 points.

Earlier in the semester, the team was named Champion of the Northeastern Forensic League for the third consecutive year, a title based on the number of points accumulated during the year at six designated tournaments. Roger Sadler finished first in the Northeast in Pentathlon points for the second year in a row. Sadler's award total for his four years now stands at 225. Only two other forensic competitors in the country have earned more than 200 individual awards.

CAS ANNOUNCES 1984-85 BOARD PRICES

The College Auxiliary Services Board has approved the recommendation of the food service committee on the cost of meal plans for the 1984-85 academic year. The food service committee, appointed by the CAS executive committee last June, recommended an increase in the cost of the 19-meal plan to \$1314 (up \$68 or 5.4%) and an increase in the cost of the 12-meal plan to \$1198 (up \$58 or 5.1%). The food service committee is comprised of six students and three faculty/staff/administration representatives. CAS executive Director Stan Supinski said that the meal program will remain essentially the same.

HONORS PROGRAM RECRUITING APPLICANTS AMONG UNDERCLASSMEN AND INCOMING FRESHMEN

Students who may qualify for the College's new Honors Program are currently being contacted, according to Dr. David Mowry, who coordinates the program. Mowry said that approximately 100 incoming freshmen, who have maintained a high school average of 92 or above and who have combined SAT scores of 1100 or higher have received letters about the program. In addition, just over 120 currently enrolled freshmen and first-semester sophomores with grade point averages of 3.50 or better have also received letters inviting them to apply. Approximately 30 students will be admitted into the General Honors portion of the program for the fall semester.

Mowry further explained that two General Honors Seminars will be taught during the fall semester. HON-120, “Men, Women and Love,” will be taught by Dr. Daphne Kutzer and will examine images of romantic love in literature. HON-130, “Democracy and Micro-Computers,” will examine the impact of micro-computers on democratic institutions and processes and will be taught by Dr. William Culver.

SZYDLIK, KOKOSZKA WIN FUNDING FROM AIR FORCE

Dr. Paul Szydluk professor of physics, and Dr. Gerald Kokoszka, professor of chemistry, have been awarded a grant of \$11,995 by the United States Air Force Office of Scientific Research. Szydluk explained that the grant is an outgrowth of his summer research last year at Wright-Patterson Air Force Base in Ohio. Szydluk spent the summer investigating defects in materials used for solar cells. The official title of the project is “Electron Paramagnetic Resonance Study of Defects in III-V Semiconductors.

JAZZ AND POPULAR MUSIC COLLECTION DONATED TO FEINBERG LIBRARY BY DR. EDWARD REDCAY

Dr. Edward Redcay, professor emeritus, has donated his extensive jazz and popular music collection to the Feinberg Library through the Plattsburgh College Foundation. The collection includes 375 records, 86 reel-to-reel tapes, several books and additional materials written or collected by Redcay. Feinberg gift librarian Cynthia Whitacre expressed the library's gratitude, saying, “This is a very valuable gift and will certainly enrich our collection.” The collection is currently being reviewed and catalogued, according to Whitacre, and is expected to be available for use by the beginning of the fall semester.

DEDICATION OF ANGELL COLLEGE CENTER SLATED FOR FALL

The dedication of the George W. Angell College Center will be held during the fall semester, although a date for the ceremony has not yet been decided. In anticipation of the dedication ceremony, bronze letters identifying the building have been installed.

NANCY CHURCH PUBLISHES HINTS FOR WAITERS AND WAITRESSES

Nancy Church's book, *Tips for Waiters and Waitresses*, has been published by Pilot Books and is currently available in bookstores. Church, assistant professor in the Center for Business and Economics, said it "is a self-help book which would be useful to anyone involved in food service. It is aimed at individuals in food service and restaurants wishing to incorporate this type of information in their training programs." The book is illustrated by cartoonist Sid Couchey.

AREA HIGH SCHOOL TEAMS COMPETE IN COMPUTER SCIENCE CONTEST

Fifteen teams from eight area high schools entered the College's Third Annual Computer Science Contest held last Sunday on campus. Julius Archibald, chairperson of the computer science department, said that the all-day contest challenged the high school students' skill in several types of problems. A team from Beekmantown Central School won the contest, followed by Peru Central School, Northern Adirondack Central School and St. John's Central School. Other schools represented in the competition were Franklin Academy, AuSable Valley, Schroon Lake, and Mount Assumption Institute. The contest was co-sponsored by the computer science department, the Computer Science Club, the student chapter of the Association for Computing Machinery, and the Office of Academic Affairs. Prizes were furnished by Cahill's, Kaybee, and Ray's Supply.

RECORD NUMBER EXPECTED FOR OPEN HOUSE ON APRIL 28

With nearly a week left to make reservations, more than 900 prospective students, parents and friends have already accepted the College's invitation to attend this year's Open House, scheduled for Saturday, April 28. At the current rate of response, the Open House Committee expects a record crowd to attend the day's activities.

This year's format for Open House has been considerably changed in order to allow prospective students to gain more specific information about the programs in which they intend to major. Immediately following the welcoming session, which will begin at 9:30 a.m. in the Angell College Center Ballroom, visitors will be taken to the academic departments of their intended major. There they may spend up to two hours talking with faculty members and students and viewing the department facilities. Undeclared majors will meet with a group of faculty members in the Blue Lounge and then, if they choose, visit a specific department as well.

Following the departmental visits, visitors will be given a short guided tour of the Feinberg Library, Myers Fine Arts Building, Memorial Hall, and three dormitories. More than 800 have already indicated they would like to have brunch in the dining halls, and Marriott has agreed to open the Sundowner to ease the mealtime congestion.

Student Association organizations will staff information tables and displays in the Angell College Center in the afternoon. At 1:30 and again at 2 p.m., five special workshops will be offered. They include "The Honors Program," "Placement/Internship/Cooperative Education," "Information for Transfer Students," "Health Services/Insurance," and "What to Expect From Now Till Opening Day."

The Admissions, Financial Aid, and Campus Life Offices will be open all day. The Bursar's Office will also be open to accept deposits for the fall semester.

Students are currently being recruited to serve as tour guides for Open House. No previous experience as a campus tour guide is necessary, but volunteers must attend one of the two training sessions. The sessions will be held at 6 p.m. on Tuesday, April 24, and Wednesday, April 25 in the Angell College Center Cardinal Lounge.

Further information about Open House is available from the College Relations office or the Admissions office.

Plattsburgh State's Annual Alumni Giving Program has been selected as a national finalist in the Improvement Category in the 1984 U.S. Steel Alumni Giving Incentive Awards Program. The awards honor colleges, universities and independent schools for distinguished achievement in the development of alumni support. The program is administered by the Council for the Advancement and Support of Education with a grant from the United States Steel Foundation. Finalists must have shown at least a 10% increase in the number of alumni donors to the annual fund and at least a 25% increase in the alumni dollar amount given to the annual fund between 1981-82 and 1982-83. Plattsburgh's Alumni Giving Program achieved a 51.4% increase in number of donors and a 39.2% increase in the amount contributed during that period. Mal Lavery, director of alumni affairs, explained the program. "It is multi-faceted in concept and in the manner in which it is administered. However, one component — the student phonathon effort — deserves special recognition. More than 45 students worked on the annual phonathon and their enthusiasm was a major factor in the success of the campaign." Winners will be notified by the end of May.

CITY, COUNTY HONOR THE LATE GEORGE W. ANGELL

The City of Plattsburgh and the Clinton County Legislature have, in separate gestures, paid tribute to the late George W. Angell, president emeritus of Plattsburgh State. Plattsburgh Mayor Carlton Rennell has issued a proclamation, dated April 11, 1984, encouraging all citizens of the community "to join in solemn tribute to George W. Angell for his numerous contributions to the community, and to extend their personal expressions of condolence and sympathy to the family of this most dedicated humanitarian."

The Clinton County Legislature passed a similar resolution, extending condolences to Angell's family and acknowledging the contributions he made "to the citizens of Clinton County through his untiring efforts and interest in our community." The resolution, dated April 11, 1984 was sponsored by legislative chairman Robert Garrow, Donald Garrant and Melvin "Bob" Bruno, all alumni of Plattsburgh State.

CENTER FOR STUDY OF CANADA RECEIVES GRANT FOR LIBRARY MATERIALS

The Center for the Study of Canada has received a grant of \$6,179 from the Government of Canada for the purchase of library materials. Dr. Richard Beach, director of the Center, said that the money will be used to acquire all the back issues that the college does not currently own of important Canadian periodicals such as "Queen's Quarterly," "Canadian Geographer" and "Saturday Night." Beach said this is the largest library grant received by the Center and comes on the heels of a \$1,600 grant received one month ago. The Center has obtained more than \$11,000 in grant monies for library acquisitions since September. Materials purchased with these grant monies are available in the Feinberg Library as they are received.

ROBERT JOHNSTONE, NEW CANADIAN CONSUL GENERAL, TO VISIT CAMPUS APRIL 26

Robert Johnstone, the newly appointed Canadian Consul General in New York City and Commissioner for Canada to Bermuda, will be a guest on campus on Thursday, April 26. Johnstone replaces Kenneth Taylor as Consul General, following Taylor's appointment as Ambassador to Italy.

Johnstone has extensive experience in Canada/U.S. economic and political relations. He has served with the Royal Commission on Banking and Finance, the Bank of Canada, and the International Monetary Fund. In 1975 he was appointed executive director of the Anti-Inflation Board and, in 1977, deputy undersecretary (economic) of the Department of External Affairs. He has since served as deputy minister of the Department of Industry, Trade and Commerce, and deputy minister (international trade) and coordinator of the International Economic Relations section of the Department of External Affairs.

During his stay on campus, Johnstone will address the Introduction to Canadian Studies class and meet with students and faculty of the Center for Canadian Studies.

1984 SYMPOSIUM CONTINUES WITH VISIT BY DR. HOWARD ZINN

The semester-long "1984 Symposium" continues next week with a visit to campus by Dr. Howard Zinn, professor of political science at Boston University since 1964. Zinn has written extensively on a number of topics, including civil rights, Vietnam and violence in America. His most recent book, *A People's History of the United States*, was nominated for the American Book Award. During his stay on campus, Zinn will be guest lecturer in various classes in history, sociology, philosophy, political science and anthropology. On Tuesday, April 24 at 7 p.m. he will lecture as part of the Advances in Biology: Evolution class in Hudson 106. The following evening, he will lecture on "History, Totalitarianism and Forms of Control" at 8 p.m. in CL 200. Both of his lectures are free and open to the campus and public.

DR. CHARLES GUNNER FIRST ADMINISTRATOR IN RESIDENCE AT CENTER FOR TEACHER EDUCATION

Dr. Charles Gunner, high school principal at Bethlehem Central School in Delmar, New York, is currently spending several weeks on campus as the first administrator-in-residence at the Center for Teacher Education and Educational Services. Gunner is on sabbatical leave this semester and has been visiting innovative high schools and conducting applied research on educational technology, parenting, values education, administrative reorganization and the effect of reform movements on effective schools. During his stay on campus he will work with students and faculty members in the Center and will also meet with high school principals and superintendents of area schools. Gunner is currently Secondary School Commissioner for the Middle States Association. In 1979 he was named Outstanding Administrator by the School Administrators Association of New York.

CENTER FOR ART, MUSIC AND THEATRE TO PRESENT 'THE SKIN OF OUR TEETH'

The Center for Art, Music and Theatre will present five performances of the Thornton Wilder classic "The Skin of Our Teeth" from April 25-29. The production is directed by Dr. Ruth Kline, who has also designed the costumes. Scene design is by J.R. Bakkom. Paul Pape will portray Mr. Antrobus, Linda Halsted is Mrs. Antrobus, and Rega Lapar and Lawrence Keller play the children. All performances will be in Hartman Theatre, starting at 8 p.m., except the Sunday matinee, which will begin at 2 p.m. Tickets are available at the Hartman Theatre Box Office at \$1.50 for SA students, \$3 for senior citizens, non-PSUC students and members of the Council on the Arts, and \$4 for the general public.

FINALISTS NAMED FOR POSITION OF DIRECTOR OF PERSONNEL AND AFFIRMATIVE ACTION

Four finalists have been selected for the position of director of personnel and affirmative action, according to Derek Allan, who chairs that search committee. The four finalists will visit campus for a series of interviews during the next few weeks and Allan is hopeful a final decision can be made very soon after the visits are completed. The four finalists are: Roger Bergh, dean of personnel administration at Southern Connecticut State University; Thomas Lascell, director of personnel services at Mohawk Valley Community College; Mayerlyn Miller, dean of planning and development at Orange County Community College; and Douglas Schading, personnel assistant, State University College at Buffalo.

FRESHMAN HONOR SOCIETY INDUCTS 60 MEMBERS

The campus chapter of Phi Eta Sigma, the national honorary society for freshmen, inducted 60 new members in a ceremony held last week. Dr. David Mowry, the society's advisor, said that membership is granted to freshmen who achieve an overall grade point average of 3.5 or better during at least one semester of their freshmen year. The new members of the honor society include:

NEW SOCIOLOGY HONOR SOCIETY TO BE CHARTERED ON CAMPUS

A chapter of Alpha Kappa Delta, the international sociology honor society, will be chartered on campus within the next month, according to Dr. James Mapstone, associate professor of sociology. The Alpha Delta of New York chapter will induct charter members and hold a chartering ceremony prior to commencement. To become members, Mapstone said, students must have at least junior status and hold an overall gpa and a gpa in sociology courses of 3.0 or better.

STEVIE RAY VAUGHAN AND DOUBLE TROUBLE TO PLAY ON CAMPUS APRIL 27

Texan blues guitarist Stevie Ray Vaughan and his trio Double Trouble will be rocking Plattsburgh State's Hawkins Hall, Friday April 27 at 8 p.m. Vaughan's critically acclaimed debut album "Texas Flood" and his guitar work on David Bowie's "Let's Dance" album have propelled Vaughan onto the national music scene. Several music publications named him new artist of the year and his television appearance on the Grammy Awards, in a salute to Chuck Berry, have added to Vaughan's increased popularity. Tickets for the concert are on sale at the College Center Desk, priced at \$4 Student Association members and \$7 public. The concert is sponsored by the Plattsburgh State Concert Committee and the mandatory SA fee.

SPORTS UPDATE; TRACK AND FIELD RECORDS CONTINUE TO FALL

The Cardinal track and field teams combined to set three school records last weekend in separate men's and women's meets. In the nine-team Albany Invitational meet, Charlene Fenton placed second in the 400-meter dash with a new mark of 60.4 seconds. Sherri Freeman was fourth with a record-setting 39:47.6 in the 10,000 meters. The Cardinal men competed in the U Mass Relays, a primarily Division I meet in Amherst, Massachusetts. Dean Diltz set a new team record of 9:35.4, while placing fifth in the 3,000 meter steeplechase event. Both the men and women will be in competition Saturday at the University of Rochester. On April 28, Plattsburgh will host the Cardinal Classic meet at the Field House.

DR. DONNA PORTER '71 TO RECEIVE DISTINGUISHED ALUMNUS AWARD

Dr. Donna Porter will receive this year's Distinguished Alumnus Award during commencement ceremonies on May 20. Porter, who earned a bachelor's degree in food and nutrition from Plattsburgh State in 1971, currently holds the position of analyst in life sciences in the Congressional Research Service of the Library of Congress in Washington, D.C. In that position, she is responsible for research in the field of life sciences programs and policies with emphasis on human nutrition and food safety for members and committees of the U.S. Congress.

Following her graduation in 1971, Porter served a dietetic internship at Peter Bent Brigham Hospital in Boston, Massachusetts and became a registered dietitian. She then attended Ohio State University where she received a master's degree and later a doctorate in human nutrition and food management. Research on her dissertation, "Nutrition Policy Making in the United States Congress, 1966-1978," took her to Washington, where she became a National Nutrition Consortium Fellow and later a Congressional Science Fellow. The latter fellowship led to her current position.

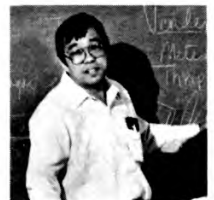

Porter currently serves as legislative network coordinator for the District of Columbia chapter of the American Dietetic Association, and chairs the legislative committee of the District of Columbia Metropolitan Dietetic Association. She frequently teaches special seminars and presents workshops at various colleges, universities and professional conferences, and has published numerous papers on various aspects of nutritional issues.

She is a member of the national honorary societies Phi Upsilon Omicron and Sigma Delta Epsilon and in 1982 was named an "Outstanding Young Women in America."

FIRST ACADEMIC CONVOCATION SET FOR SUNDAY; HONORARY DEGREE TO BE CONFERRED ON MURASHIGE

The College's First Academic Convocation will be held at 7 p.m. on Sunday, April 29 in the Hawkins Hall Auditorium. The convocation, the initial event in this year's Student Recognition Week, is designed to highlight student academic achievement. Dean's List students and members of the college's academic honorary societies will be special guests and all students and faculty are urged to attend. During the convocation, the recipients of several awards and scholarships which are presented on the basis of academic merit will be announced. Members of Phi Eta Sigma, the national honorary society for freshmen, will present a special Distinguished Faculty Award to the faculty member who, in their opinion, provided the greatest contribution to academic excellence during their freshman year.

Toshio Murashige

In addition to the various Plattsburgh State awards, an honorary Doctor of Science degree from the State University of New York will be conferred upon Dr. Toshio Murashige during the evening. Murashige is professor of horticultural science and plant physiology at the University of California at Riverside and has earned an international reputation in plant tissue culture. A reception will follow the convocation.

OFFICE OF EDUCATION APPROVES INCREASE IN GRANT TO CENTER FOR STUDY OF CANADA

The U.S. Office of Education has approved a 65% increase in funding in the second year of a two-year grant awarded to the college's Center for the Study of Canada. The original grant was awarded last year for the purpose of forming a National Resource Center for the Study of Canada, in conjunction with the University of Vermont and the University of Maine. Dr. Richard Beach, Center director, said that Plattsburgh's share of the grant last year totaled \$20,000. This year, he said, the Office of Education approved funding for Plattsburgh in the amount of \$33,000. The grant pays for faculty travel, library acquisitions, special events, a guest speaker program, office supplies and personnel, field trips for students and faculty and related activities. Beach added that the grant reviewers complimented the Center on the quality of the renewal proposal.

STUDENT RECOGNITION WEEK STRETCHES FOR TWO

Student Showcase and Recognition Week '84 stretches for more than two weeks this year. Already underway with the Center for Art, Music and Theatre production of "The Skin of Our Teeth," recognition week officially opens Sunday evening with the First Academic Convocation (see related story). On May 2, the Fifth Annual Recognition Program for Members of the College's National Student Academic Honorary Societies will be held in the Angell College Center Blue Room at 5 p.m. Cardinal athletes will be honored during the Annual Sports Night Banquet and Recognition Program on May 10, and a number of activities and service contributions will be recognized during the Fourth Annual Student Activities Awards program on May 11 at noon in the courtyard. In between these major events, Sigma Xi will host a mini-symposium of undergraduate research papers on April 28; the College-Community Orchestra will perform on May 6; the Campus Poets Series will offer readings by student poets on May 7; the forensic team will demonstrate its championship talents in a showcase event on May 8; and the College Symphonic Band and the College Chorale will present concerts on May 11 and 13, respectively. In addition, the Annual Juried Student Art Exhibition and the Student Theatre Projects Exhibition, will open in the Myers Fine Arts Gallery on May 4 and run through commencement. Detailed times and places are listed in the calendar.

Welcome Prospective Students and Parents

FACULTY SENATE TO MEET MAY 1, WILL DISCUSS 'CULVER COMMITTEE' REPORT

The next meeting of the Faculty Senate will be held Tuesday, May 1 in FOB II, room 109. An organizational meeting for newly elected and continuing senators for 1984-85 will begin at 4:10 p.m. At that time, elections will be held for chair, vice chair, and secretary of the Faculty Senate, as well as for two members of the executive committee, the chair of the standing committee on resources and planning and two members of the standing committee on faculty affairs.

The regular meeting (1983-84 senators) will begin at 5 p.m. Agenda items include the proposed minor in business, the proposed major in criminal justice, and the proposed writing-across-the-curriculum policy. In addition, the Ad Hoc Committee on Creating a College Senate will present its official report to the Senate for consideration and action. The committee, known informally as the "Culver Committee" was appointed in January to study the request of the Student Association that a College Senate be created, primarily by adding student representation to the Faculty Senate. After considerable investigation of the question and issues involved, the committee has proposed the creation of an Inter-Senate Coordinating Council, which would be comprised of the executive committee of the Faculty Senate and the Student Association Executive Council. This body would meet regularly to identify issues of common concern. In addition, the committee has proposed that student membership on several Faculty Senate committees be increased, and that three students (SA president, executive vice-president and academic vice-president) be made non-voting ex officio members of the Senate.

DIETETIC INTERNSHIP PLACEMENT RATE 100%

Seven graduating food and nutrition students in the Center for Human Resources applied this year for 1984-85 dietetic internships and all seven have been accepted, according to Dr. Marilyn Chase, center director. Chase said that the internships are highly competitive placements because they are the preferred way to become a registered dietitian. Generally, she said, only about 65% of those who apply obtain the positions. The students who have been placed and their internship placements are: Kathy Behan, Brigham and Women's Hospital, Boston; Jean Carlucci, Indiana University, Indianapolis; Angela DiGiorgio and Edward Hines, Jr., VA Hospital, Chicago; Lisa Oliveri, Westchester-County Medical Center, Valhalla, NY; Alison Murray, Walter Reed Army Medical Center, Washington, D.C.; Carolyn Vergo, Baylor University Medical Center, Dallas; and Marilyn Winrow, Rush-Presbyterian, St. Luke's Medical Center, Chicago.

COOPERATIVE EDUCATION PROGRAM PLACES 166 STUDENTS

The Cooperative Education Program, now in its second year on campus, continues to grow at a rapid pace, according to Dr. Ann Hasting, who directs the program. Hasting said this week that since its inception in 1982 through this spring semester, 166 students have been placed through the program. Those students (excluding 10 for whom salaries were not available) have earned a total of \$273,493.25 in those cooperative education placements and 47 have also earned college credit. The growing list of employers now accepting students from the college includes, among others, such firms and agencies as IBM, Internal Revenue, Citibank, Data Management Associates, Newsday, Newsweek, Tennessee Valley Authority, and the U.S. Army Corps of Engineers. By offering paid placements to students in a business or governmental or community agency, the cooperative education program allows them to gain practical on-the-job experience in their field, as well as to earn money which may help pay for their education.

Hasting also announced this week that Tony Braddock, a junior 3/2 engineering major, has been accepted for a summer placement with the Bell Labs Summer Research Program. She said this is one of the most competitive and prestigious placements in the cooperative education field. Braddock, a Plattsburgh resident, will attend Clarkson College in the fall to complete work on his degree in physics/electrical engineering.

MILLER, WITHINGTON ELECTED SENATORS-AT-LARGE, RUN-OFF VOTE NEEDED FOR UNIVERSITY SENATOR

Howard Miller and Robert Withington were elected Senators-at-Large in the election conducted last week by the Faculty Senate. Stephen Adams and John McCormick were elected to the Committee on Membership and Elections. A three-way race for University Senator resulted in none of the candidates receiving a majority of votes cast, so a run-off election between the two top vote-getters, James Mapstone and Charles Mitchell, will be conducted during the next week.

FIRST AUDITIONS FOR SUMMER MUSIC WORKSHOP AND PIPPIN SLATED FOR SATURDAY

The first day of auditions for the Summer Music Workshop and the related production of "Pippin," sponsored by the Center for Art, Music and Theatre, will be held on Saturday, April 28 in the Hartman Theatre. Richard Probert, director of the Center, said that workshop applicants will be auditioned by himself, Mitchell Weiss, assistant to the general manager of the New York Shakespeare Festival and director of "Pippin," and New York City choreographer Carol Estey. Probert added that walk-ins will be allowed to audition, although appointments are preferred. Anyone interested in auditioning may make an appointment by calling 564-2180. Additional auditions will be held on May 5 in New York City. Interested students who cannot attend one of the two auditions may submit a videotape of their work to Probert at the Center for Art, Music and Theatre.

SPORTS UPDATE; KRASENSKY AND FENTION SET TRACK RECORDS

At Saturday's track and field meet hosted by the University of Rochester, Linda Krasensky set a team and Fauver Stadium record, winning the 3,000 meter run with a time of 10:34.0. Krasensky finished the event more than 18 seconds ahead of her nearest competitor. Charlene Fenton set a school outdoor record of 12.6 seconds in the 100-meter dash, while placing second in the event. Cathy Kriger notched the other Plattsburgh win, with a toss of 32'5" in the shot put. In men's action, Dean Diltz won the steeplechase, Dan Gambino and Wilfredo Christian were 1-2 in the 110-meter high hurdles, and transfer Andy Hastings was second in the 800-meter run. Rob Dickerman placed in three events.

The Plattsburgh teams will host the Cardinal Classic this Saturday, April 28 at the field house, although some of the women tracksters will be in Brockport competing in the Women's SUNYAC Championships.

weekly notes

Dr. Donald D. Adams, professor in the Center for Earth and Environmental Science, was invited to present a seminar on "Carbon and Nitrogen Gas Cycles in Recent Sediments of Lake Erie and Two Nearby Polluted Harbors" at the Harbor Branch Foundation, a non-profit research organization conducting studies in estuarine and coastal oceanography and underwater deep sea submersibles, located in Fort Pierce, Florida. . . **Dr. Leonard Fontana**, associate professor of sociology, has been asked by the publishing company of Little, Brown and Company to serve as a reviewer and will be reviewing textbooks in sociology. . . **Dr. J. Justin Gustainis**, assistant professor of communication, recently presented a paper, "Limitations of Current Approaches to the Study of Bargaining Communication," to the annual meeting of the Central States Speech Association, held in Chicago. . . A collection of biology teaching experiments edited by **Dr. C. Leon Harris**, professor of biological sciences, was recently published by Kendall/Hunt Publishing Co. of Dubuque, Iowa. Volume Three of *Tested Studies for Laboratory Teaching* describes twelve experiments which were demonstrated at the Third Workshop/Conference of the Association for Biology Education (ABLE) at SUNY Stony Brook in June of 1981. The chapters cover such topics as teaching biology laboratories to the visually or orthopedically impaired, tissue culture, animal behavior and the structure of DNA. . . The cover photograph of the invitation used for the SUNY Writers' Festival is of a ceramic work by **William Klock**, professor in the Center for Art, Music and Theatre. The piece, "Departures and Beginnings," is one of four of Klock's works contained in "The New York Landscape," an exhibition of poems and art works by SUNY poets and artists. . . **Dr. Alexis Levitin**, assistant professor of English, has received a \$1,000 award for excellence in translation from the Translation Center at Columbia University. Levitin whose translations have appeared in recent issues of *South Dakota Review*, *Colorado State Review*, *Helicon Nine*, and *The Literary Review*, gave three presentations on translation in California over the spring vacation. FACULTY/STAFF FUND DRIVE UNDERWAY; 700-PLUS SOLICITED

Faculty and staff will have an opportunity to contribute to the Plattsburgh College Foundation's annual giving program through a formal fund drive that has been developed by a 12-person committee. More than 700 employees of the college will receive a letter this week in which they will be asked for a donation, either through payroll deduction or by check.

"By contributing, college faculty and staff help the Foundation continue to make a college education possible for many students," said Billie Jackstadt and Bruce Butterfield, co-chairpersons of the drive. "No gift is too small. We urge everyone to participate at whatever giving level they can afford. And, of course all contributions are tax deductible," they added.

Last year 76 Plattsburgh State faculty and staff contributed \$7,946 to the Foundation's annual campaign. In doing so, they joined more than 2,604 donors to the Foundation's several funds: alumni, business, friends, and Booster Club. Of the faculty-staff contributions, most (about \$5,100) were designated for student scholarships; another \$2,500 went towards library acquisitions; and \$250 supported student research and research-related travel. A new payroll deduction plan — a courtesy of the SUNY Plattsburgh Credit Union — will provide a convenient method of payment for those who prefer to pay in installments. The plan will be in effect initially between May 31 - December 26 (16 pay periods). Faculty and staff members serving with Jackstadt and Butterfield on the committee are: Marilyn Chase, Herman Doh, Jeanne Kissner, Clara LaRose, Hounq Liu, Annette Manganel, Richard Manganel, Robert Moll, Anna Nardelli, and Edward E. Redcay.

President Burke presents the first contribution of the faculty-staff drive to co-chairs Billie Jackstadt and Bruce Butterfield.

ARMY ASSISTANT NAMED TO CARDINAL HOCKEY COACHING POST

Plattsburgh State has gone to the U.S. Military Academy at West Point for its new hockey coach. He's Steve Hoar, assistant coach of the varsity ice team, who officially became the Cards' head mentor this week, according to Athletic Director Ernest Rangazas. "We're very pleased to have Steve Hoar come aboard," Rangazas said. "His experience at West Point under the tutelage of head coach Jack Riley has certainly prepared him well to become a head coach. The search committee was very impressed with his ability to recruit, to organize, and to motivate." President Burke commented, "Steve Hoar's background and personality are impressive. We believe that he is an excellent choice to continue the tradition of excellence in intercollegiate hockey at Plattsburgh."

Hoar, 32, was named to the position following a nation-wide search which attracted 48 candidates for the position. For the past six years at Army, he has held the position of assistant varsity hockey coach, where he handled the defense, and also served as recruiting coordinator. He was also responsible for coaching the Academy's junior varsity team.

The new coach is a graduate of Arlington High School in Massachusetts, where he lettered three years in hockey and was a member of the school's 1968 Eastern Massachusetts state championship squad. He attended Vermont Academy for one year where he served as captain of the hockey team and won All-New England recognition in both football and hockey. Following one year at Bowling Green University (and a serious knee injury) he transferred to Boston College where he earned a bachelor's degree in elementary education with a minor in physical education. Before joining the West Point coaching staff, Hoar taught mathematics and coached hockey at the Fessenden School in Massachusetts. Hoar is expected to be on campus in mid-May to meet with members of the Cardinal hockey team.

DR. LARY SHAFFER RECEIVES DISTINGUISHED FACULTY AWARD FROM FRESHMAN HONOR SOCIETY

Dr. Lary Shaffer, associate professor of psychology, has been selected to receive the first Distinguished Faculty Award of Phi Eta Sigma, the freshman academic honorary society. Heidi Swertinski, president of the campus chapter, bestowed the award upon Shaffer during Sunday evening's First Academic Convocation. Swertinski explained that the award winner is chosen on the basis of having provided "the greatest contribution to academic excellence" of freshmen, showing the "greatest concern for the welfare" of freshmen, and being the most effective professor teaching freshmen.

NEW BUDGET AFFECTS PERSONNEL ALLOCATIONS

Plattsburgh State has received funding for six support positions in the 1984-85 budget, but those positions will not offset the 21 positions lost in the 1983-84 budget. Assistant Vice President for Academic Affairs William Woltjen explained the effect of this year's budget on the college's personnel. Last year, he said, funding for a total of 21 positions was lost, but all of those cuts have not yet been made. The new budget calls for the loss of yet another faculty position, in addition to those cut earlier, but funds six support positions, which will become available at staggered times during the upcoming year. Woltjen said it was impossible to say at this time what the total effect of the latest budget will be since the college is still in the process of analyzing the overall needs and prioritizing them.

JURIED STUDENT ART EXHIBITION OPENS FRIDAY

Nearly 100 works by 31 student artists will be on exhibit in the Myers Fine Arts Gallery from May 4 through May 20 as part of the Annual Juried Student Arts Exhibition. Ed Brohel, gallery director, said this year's show attracted nearly 400 entries, the largest field ever. The pieces were judged by New York City painter and educator Christine Anderson. The exhibit includes photographs, paintings, etchings, silkscreens, ceramic pieces, sculptures, and a video piece. The exhibition will open with a reception on May 4 from 4 to 6 p.m. in the gallery.

An exhibition of student theatre projects will be on display during the same time period in the Myers Fine Arts Lobby. That exhibit will consist of original works written or choreographed by students. A jury panel composed of faculty and students selected the works to be displayed.

EIGHTEEN FACULTY MEMBERS GRANTED SABBATIC LEAVE

Eighteen faculty members have been granted sabbatic leave during the next academic year. On leave for the full year will be: Dr. Jane Gore, human resources; Dr. James Johnson, psychology; Dr. Carol Leonard, history; Dr. John Lewis, physics; Dr. William Penner, education; Dr. Lawrence Shaffer, psychology; Dr. Ann Tracy, English; and Dr. Edward Worthen, foreign languages. On leave for the fall semester will be: Dr. Ron Davis, English; Dennis Kimmage, Feinberg Library; Dr. Fritz Kissner, earth and environmental science; Dr. Harold Klein, biology; and Dr. Charles Zinser, earth and environmental science. Five faculty members will be on leave during the spring semester. They are: Dr. Charles Mitchell, education; Dr. Gordon Pollard, anthropology; Dr. Philip Reines, communications; Michael Stoller, business and economics; and Phyllis Wells, Feinberg library.

In addition, five other faculty members have been granted leave. They are Dr. Ernestos Argyres, physics; Lori Bechtel, HPER; Dr. Robert Ellsworth, chemistry; William Kelting, business and economics; and Dr. Marion Smith, psychology.

WALLER RECEIVES NATIONAL ENDOWMENT FOR HUMANITIES FELLOWSHIP

Dr. Altina Waller, assistant professor of history, has been selected to receive a National Endowment for the Humanities Fellowship for College Teachers for the 1984-85 academic year. The fellowship allows her to take a leave from teaching to write a book, which she has tentatively titled *The Hatfield-McCoy Feud: Violence and Modernization in Appalachia 1870-1890*. In the book, Waller said, she hopes to define and refine some of the social causes, processes, and consequences of modernization.

INTERNATIONAL BUSINESS OPTION EXPANDED

The faculty of the Center for Business and Economics unanimously voted at a recent faculty meeting to restructure and expand the International Business Option for its students, according to Dr. Miles Martin, director of the Center. The intention is to better prepare students to work with companies which have international operations. As part of this new emphasis, a selected group of 20 students entering the business program in the Fall of 1984 will take a double minor in Spanish and Latin American Studies as part of their overall program. Students in this Business, Foreign Language and Culture Double Minor Program will have the opportunity to take courses in Spanish emphasizing commercial Spanish and business customers in Latin America. It is hoped that this program will be the first in a series of foreign language and culture minors for business students to be instituted in years to come. As part of the new emphasis on international business, students under this option will be encouraged to study abroad, and to take internships abroad or with companies doing extensive correspondence and business abroad.

CLASS OF 1983 FARING WELL IN JOB MARKET

The class of 1983 is doing very well in the job market, according to results of a survey conducted by the Office of Career/Life Planning and Placement. Director Pat Lennahan explained the survey results this week. All members of last year's graduating class, a total of 1,131 alumni, were sent questionnaires about their current employment status. Of that number 597, or 52.8% responded. Nearly 93% of those seeking employment have found it since graduation, Lennahan said, with 73.8% of that number employed in a job directly related to the student's major at Plattsburgh State. Seventy-three percent are employed fulltime, 12.1% on a parttime basis, 6.6% were unemployed at the time of their response and 8.2% were not seeking work. Lennahan compared those responses to responses from the class one year earlier. He said 93.7% of the class of 1982 over the same time period had found work, but only 70.9% were employed fulltime, and 71.8% were employed in a field related to their major.

The average salary of the class of 1983 is \$13,919, compared to \$13,316 last year. The maximum starting salary this year was listed at \$62,000 and was reported by an alumnus working in sales of electronic equipment.

The questionnaire also inquired whether the graduates were actively pursuing further education. Of the class of 1983, 12.1% are enrolled in a fulltime educational program and 16.2% are now studying parttime. One year ago, 14.3% of the class of 1982 were attending school on a fulltime basis and 17.8% were studying parttime. Lennahan attributed the slight decrease in this year's figures to an improving job market.

The complete results of the survey will be available in the Office of Career/Life Planning and Placement within a few weeks.

74 WORKING ON FOUNDATION'S BUSINESS/CORPORATE CAMPAIGN; GOAL SET AT \$68,178

A record 74 persons from the community are soliciting businesses as part of the Foundation's 1984 Business/Corporate Campaign. The goal is \$68,178. Last year's drive netted \$64,000 and provided grants to 161 undergraduates.

The 74 persons average five contacts, send personal letters to their prospects, and then make individual calls. Prospects can either make a pledge or a cash gift. Three report meetings will be held during the campaign, which formally ends on July 2.

Co-chairpersons of this year's drive are Clifford P. Calongne, vice president of Northern Insuring Company in Plattsburgh, and Harry E. Mowry, vice president of the Bindery Systems Division of Harris Graphics in Champlain. Mr. Mowry is also a member of the College Council.

Serving as captains of the teams working on the campaign are Anne Brandell, Donald Kasprzak, Barbara Murray, Michael Murray, Roger Nolette and Nicholas Pope.

RAY GUYDOSH TO CHAIR 1984-85 FACULTY SENATE

Raymond Guydosh, assistant professor in the Center for Business and Economics, was elected to chair the 1984-85 Faculty Senate, during the incoming Senate's organizational meeting last week. Dr. John Myers, professor of history, will serve as vice chair, and Jay Letts, manager of the printing and duplicating center, was elected secretary. Other elections were as follows: Executive Committee — Marilyn Morton and Howard Miller; Faculty Affairs Committee — Eileen Benton and Marty Frost; Chair of the Standing Committee Resources and Planning — James Dawson.

In other business during the regular session of the Faculty Senate, the minor in Business and the major in Criminal Justice were approved. The issue of the writing-across-the-curriculum policy was discussed, but no vote was taken. Discussion of the issue was slated to continue at the May 8 meeting.

On Friday, May 4, votes were counted in the run-off election for University Senator. Dr. James Mapstone was elected to the position. Dr. Philip Reines will serve as alternate.

FACULTY ASSOCIATION CONTRIBUTES \$2,500 TO COLLEGE FOUNDATION

The Faculty Association, at its annual meeting last week, voted to contribute \$2,500 to the College Foundation. Of that amount, \$1,500 has been designated for use as student aid, \$500 will purchase library materials, and \$500 will be spent on campus beautification.

In other business, Al Hassler, Hilton Heming, and Carla List were elected to three-year terms on the Board of Directors, and Jim Olmsted was elected to a one-year term.

CANADIAN STUDIES RECEIVES MAJOR GRANT FROM HIRAM WALKER

The awards committee of Hiram Walker & Sons Ltd., one of Canada's major multinational corporations specializing in the production of "spirits" (e.g., Courvoisier, Kahlua, and Canadian Club), has approved a grant proposal to support the Canadian Studies Program and will provide the College Foundation with an amount in excess of \$14,000 during the next three years. Dr. Richard Beach, director of the Center for the Study of Canada, said, "This is by far the most substantial grant the Center has ever received from the private sector and undoubtedly one of the largest the college has received as well. It is also our understanding that this is the largest grant which Hiram Walker provides any institution or organization in the United States."

The principal purpose of this grant is to provide scholarships to students majoring and minoring in Canadian Studies. Modest funds for library acquisitions and field trips to Canada are also included. Important as well is the fact that Hiram Walker has joined Imasco Limited, another major corporate sponsor, in providing an endowment component in each of the three years the grant will be in effect.

STUDENT RECOGNITION WEEK CONTINUES WITH ATHLETIC AND SERVICE AWARDS

Student Recognition events continue this week, highlighted by the annual Sports Night Banquet and Recognition Program on Thursday evening and the Fourth Annual Student Activities Awards Program Friday noon. The Sports Night Program will honor all Cardinal athletes, especially graduating seniors. During the evening, a male and female Athlete-of-the-Year will be recognized. That award is based on academic achievement coupled with athletic excellence. The evening's activities will take place in the Angell College Center Ballrooms and are co-sponsored by the Cardinal Booster Club, the Alumni Association and the Intercollegiate Athletic Board. Admission is by invitation only.

Friday the Fourth Annual Student Activities Awards Program will be held at noon in the Angell College Center Courtyard. During that program, a variety of activities and service contributions by members of the student body will be recognized. Everyone is welcome to attend the ceremony.

Other upcoming Student Recognition activities include readings from "Z Platt Almanac," a brown bag concert, and a special showcase program by Plattsburgh students in the arts, all of which will take place on Thursday. In addition, the College Symphonic Band will offer a concert on Friday, and the College Chorale will perform on Sunday. Times and places of these events are listed in "This Week on Campus."

SOCIOLOGY HONOR SOCIETY CHARTERED ON CAMPUS; 20 CHARTER MEMBERS INDUCTED

A new honor society, Alpha Kappa Delta, has been chartered on the Plattsburgh campus. The sociology honor society was chartered on May 7 as 20 charter members were inducted. Dr. James Mapstone, advisor for the society, said that membership is granted on the basis of academic excellence in the various areas of sociology. New members are: sociology — Marshia Desorcie, Kimberly Jones, Christine Kapral, Lisa Metruck, Roberta Sullivan, and Stephen Trudell; sociology/human service — Bobbi Barney, Cathy Bedard, Susan Graziose, Melodie St. Clair, Jane Stewart, and Emily Turner; sociology/criminology — Jennifer Andersen, Janice Barton, William McLurkin, Karen McQuay, and Nancy Paul; sociology/child family service — Dorothy Smith; sociology/psychology — Cheryl Totzke; and sociology/English — Timothy Strong.

SPORTS UPDATE; THREE TRACKSTERS WIN SUNYAC TITLES

Three Cardinal thinclads won SUNYAC titles Saturday at SUNY Binghamton. Andy Hastings won the 800-meter event (1:54.9), Rob Dickerman, the shot put (47-6½) and Dean Diltz, the 3,000-meter steeplechase (9:42). Dickerman also set school records, finishing third in the hammer (149 feet, 3 inches) and the javelin (175 feet, 9 inches). The Cards took fifth in the nine-team meet with 53 points. Fredonia State won easily with 213 points.

Linda Krasensky qualified for nationals in the 1,500, with a school-record time of 4:41.3, placing second in the NYSAIAW Championships. Earlier this season she qualified in the 3,000-meter run. The NCAA Division III meet will be May 21-26 at Carleton College, Northfield, Minnesota.

STUDENTS RECEIVE CERTIFICATES FOR COMPLETING PLANNING MINOR

Eight students received a certificate this week for completing a 21-hour undergraduate minor in planning. The students are the first to complete the minor, which was instituted on campus last May. The eight students are: William Agresto, Raymond Allen, Kevin Corcoran, William Corrigan, Steven Farmer, Mark Niles, Robin Pfetsch, and Jeffrey Schulz.

COLLEGE HEALTH SERVICES TO HOST WORKSHOP AND HEALTH COUNCIL MEETING

Later this month, the College Health Services Office will host the Northern New York College Health Workshop. Dr. Merritt Spear, college physician, said that representatives from approximately ten northern New York two-year and four-year colleges will attend the workshop, scheduled for May 23. The workshop will include lectures on "Diabetes in the College Population," by Dr. Richard Frost; "Premenstrual Syndrome," by Dr. Richard Murphy and Mrs. Judy Murphy; and "Eating Disorders — the Plattsburgh Experience — Are We Different?" by Spear.

On May 30, the Health Services Office will host a meeting of the SUNY Health Services Council, which was formed about one year ago. Representatives of about 20 of the SUNY colleges are expected to attend.

MAY 16 LAST ISSUE OF WEEKLY UNTIL AUGUST

Next week's issue (May 16) will be the last issue of WEEKLY published until classes resume for the fall, 1984 semester. The deadline for articles or notices is Monday noon.

GRADUATING SENIORS WHO HAD NDSL OR FNL ASSISTANCE MUST FILE WITH ACCOUNTING OFFICE

Students who received a National Direct Student Loan or a Federal Nursing Loan while attending Plattsburgh State are reminded that they must file an exit interview form at the Accounting Office, Room 710 in the Kehoe Administration Building. A memo advising students of this regulation was distributed on April 26 and students were also advised at the time the loans were received. However, a large number of students have not yet filed the appropriate form. According to accounting office staff, non-compliance with the regulation will result in the holding of grades and transcripts.

weekly notes

Dr. Suzann Buckley, associate professor of history, is on sabbatic leave this year, but has been very active off campus. Buckley has just completed evaluation of a manuscript for the University of Toronto Press and *Victorian Studies*. She reviewed two historical studies of childhood in Canada in the Fall, 1983 issue of the *American Review of Canadian Studies*, and she will chair a session on Women and Social Policy in Canada at the annual meeting of the Canadian Historical Association in June. . . **Mrs. Alice Champagne**, assistant professor in the department of nursing, attended the New York State Association Invitational Workshop on Nursing Needs and Resources Assessment held April 25-26 at the Americana Hotel, Albany, New York. Sixty nursing representatives from New York State participated in defining action plans for assuring quality nursing care delivery in the next decade. . . **Tom Corigliano**, director of academic advisement, has been appointed by the National Academic Advising Association (NACADA) as area coordinator for membership and liaison for Northern New York and Vermont and Quebec. . . **Dr. Melvin Donaho**, professor of communications, was recently the feature speaker at a meeting of the Hudson Valley Dietetic Association. Donaho presented two sessions, the first on "The Art of Communication: Personal" and the second on "The Art of Communication: Promoting the Profession of Dietetics." Both the president and president-elect of the Hudson Valley Dietetics Association are PSUC alumni. President Katherine Wiksel graduated in 1973 and president-elect Donald Shulman is a 1979 graduate. Donaho also conducted an eighteen-hour workshop for Lay Readers in the northeast circuit of the United Methodist Church. . . **Dr. Angelo LaMariana**, professor in the Center for Art, Music and Theatre, this month completed 33 years of writing for *The School Musician*. LaMariana has written more than 220 columns for the journal. Although LaMariana is retiring this year from PSUC, he plans to continue to write. . . **Janet McFetridge**, academic coordinator in the Educational Opportunity Program, recently presented two workshops on Listening Skills at the Special Programs Institute in Albany. . . **Dr. Nicholas Troisi**, dean of professional studies, will be speaking to the Greater Albany School Administrators Association on May 10 on *What Research Says About Effective Teaching*. Research will be cited that has been completed in the United States, Canada and Europe. Also, Troisi will present the findings of his research which resulted in a published booklet by the National Association of Secondary School Principals. . . At the Conference on New York State History to be held on June 8 and 9 at St. John Fisher College in Rochester, N.Y., **Dr. Altina Waller**, assistant professor of history, will give the keynote address. The title of her talk will be "Dramatic Events and Teaching Local History." It will include examples from her research on Brooklyn, southern West Virginia, and the Champlain Valley. The talk will be published by the Seminar on New York State History. . . **Dr. Ann Zielinski**, professor of art history in the Center for Art, Music and Theatre, will present a paper, "Special Problems in Topographical Nomenclature at Saint-Martin-des-Champs in Paris" on May 11 at the International Medieval Studies Congress at Western Michigan University, Kalamazoo. . . Two students working in the Behavioral Science Laboratory presented the results of their research at the Undergraduate Psychology Conference, held at the SUNY College at Geneseo, April 28, 1984. **Kathleen D. Dwyer** presented a report of her work entitled "Formation of Facial Prototypes," and **Linda LaSalle** presented a paper entitled "Reliability of Face Recognition." Both Dwyer and LaSalle are continuing their work on these projects in collaboration with **Dr. Roy S. Malpass**, professor of behavioral science. . . Seven proposals for reclassification and promotion for Feinberg Library staff were approved by the Division of the Budget. The following have been promoted to the position of Library Clerk I: **Virginia Allen, Carol LaDieu, Cheryl LaFountain, Pat Munn, Mary Turner** and **Rosalie Victore**. This completes a process begun four years ago to review and revise position classifications for SUNY classified staff working directly in library operations.

NEARLY 1,000 TO RECEIVE DEGREES DURING 94TH COMMENCEMENT

Nearly 1,000 students will receive bachelor's or master's degrees or certificates of advanced studies during Plattsburgh State's 94th annual spring commencement exercises Sunday afternoon (May 20) at the college field house. President Joseph C. Burke will preside at the ceremony, scheduled to begin at 1 p.m., and confer degrees. Candidates for degrees will be presented by Dr. Jerome Supple, vice president for academic affairs, and Louis E. Wolfe, chairperson of the College Council, will award the degrees.

Three students are expected to graduate with highest honors. They are Karen Lynn Kent of South Deerfield, Massachusetts, Mark Steven Mastrean of Schenectady and Joanne Patnode of Ellenburg Depot. Those three students have maintained a grade point average of at least 3.9 out of a possible 4.0. Twenty-eight students will receive their degree magna cum laude (with high honors), having achieved a cumulative g.p.a. of between 3.7 and 3.89 and 93 will graduate cum laude, with a g.p.a. of between 3.4 and 3.69.

Dr. Douglas Skopp, chairperson of the college's history department, will deliver the commencement address. Dr. Donna Porter '71 will receive the Distinguished Alumnus Award. Porter is the nutrition researcher for the Library of Congress and works primarily for members of Congress.

Several other activities are scheduled at the college as part of the commencement weekend. On Saturday afternoon, pins will be presented to 42 graduates of the nursing department in the traditional pinning ceremony. This year's class is dedicated to the memory of Michelle Martin, a member of the class who was killed in an automobile accident two years ago.

President and Mrs. Burke, the Student Association and the Alumni Association will co-host a reception for graduates, their parents, faculty and staff on Saturday afternoon in the Angell College Center Courtyard. Later that evening, a semi-formal dance featuring music by the Dutchess Community College Jazz Ensemble will be held.

NINE FACULTY, STAFF MEMBERS TO RETIRE

Six faculty members have announced they will retire at the end of the semester. The six, who have worked a combined total of 101 years for the college, are John A. Caramia, Dr. Robert Donaldson, Jane Hamilton, Dr. Martin Hasting, Dr. Angelo LaMariana, and Dr. George Maybury.

Caramia, associate professor in the Center for Teacher Education, joined the faculty in September, 1963. In addition to teaching Block II, Caramia serves as advisor to all secondary education majors and has responsibility for the library and curriculum materials in Sibley Hall. For 19 years, he was associate resident director of the Annual Leadership Workshop for Teachers and Administrators.

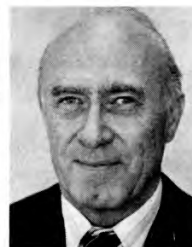

Dr. Robert Donaldson came to Plattsburgh State as a professor of science and mathematics in September, 1955 and is a longtime member of the physics department. Donaldson's teaching career in high school and college spans 44 years. He serves as advisor to students majoring in physics education and has been involved with several National Science Foundation projects. Donaldson was also one of the first Faculty Senators on campus and one of the first University Senators.

Jane Hamilton, assistant professor in the Center for Teacher Education since 1982, has taught altogether for 32 years in the State University system, primarily at the College at New Paltz. A 1950 graduate of Plattsburgh, she also earned her master's degree in administration and supervision at this college. Hamilton currently supervises student teachers in all levels and fields of study in placements throughout Clinton and Essex counties.

Dr. Martin Hasting, professor of history, was appointed to the faculty at the college in February, 1969 as an associate professor of social sciences. Hasting chaired the history department for six years and was one of the founding members of the Canadian Studies program. He is also one of the pioneers of history of folklore in the United States and often teaches courses in that area.

Congratulations to the Class of 1984!

Dr. Angelo LaMariana, professor of music in the Center for Art, Music and Theatre joined the music department in September, 1955. He was the founder of the College-Community Orchestra and its conductor for 25 years. He has been instrumental in the development of countless young string musicians in Clinton County, and has written a regular column for "The School Musician" for 33 years.

Dr. George Maybury, director of the Center for Teacher Education since 1982, came to Plattsburgh State in 1978 as director of the Office of Educational Research and Services following his retirement as district superintendent of schools and executive officer of the Albany-Schoharie-Schenectady Counties BOCES. Maybury's career in education covers 37 years. He has been active as an educational consultant and has authored numerous articles and discussion papers on various aspects of education.

Three members of the college staff with a combined total of 69 years of service to the college are also retiring.

Helen Bourey joined the college staff on November 7, 1957, working half-time as a clerk in the business office and half-time in the print shop. She later went to fulltime in the printing and duplicating department and has been an offset printing machine operator since that time.

Audrey St. John came to work at PSUC on May 11, 1964 as a stenographer in the purchasing department and has spent the past 20 years in that department. Two years after she was hired, she was promoted to purchasing clerk. Approximately a year ago, her title was changed to Purchasing Assistant I.

George Taylor has been a member of the buildings and grounds staff since August of 1962. Taylor worked in Hawkins Hall for many years, then in houses which used to be used as classrooms before the construction of the newer campus buildings, and later Hudson Hall. Following a brief time in the Kehoe Building, Taylor spent the last six years working in FOB II.

These nine faculty and staff members will be guests of honor at a reception to be held from 4 to 5 p.m. on Friday, May 18 in the Angell College Center Blue Room. All members of the campus community are invited to attend the reception which is co-sponsored by President Burke, the UUP and the CSEA.

COLLEGE'S BURSAR, RUTH TIERNEY, DIES

Mrs. Ruth Tierney, the college's bursar for more than twenty years, passed away Monday, May 14 at the CVPH Medical Center. Mrs. Tierney was employed at the college since December, 1962 and last year celebrated her twentieth anniversary at the college. She was a native of Long Island and graduated cum laude from Hofstra College.

William Woltjen, assistant vice president for finance, commented, "Ruth was a friend of the entire college community. She will be missed by all, and especially by the students, who she served for so many years."

Calling hours will be held at the R.W. Walker Funeral Home on Wednesday evening. Funeral services will be Thursday morning at 11 a.m. at the funeral home. Donations in her memory may be made to the Plattsburgh College Foundation — Ruth Tierney Memorial Fund, Kehoe 803, PSUC, Plattsburgh, N.Y. 12901.

ALUMNUS FROM CLASS OF '21 DONATES \$10,000 TO ENDOWMENT FUND

Mrs. Ruth Clark Huntington, a member of the Class of 1921, has made a third \$10,000 gift to her endowment fund. Within the past year, Mrs. Huntington has donated \$30,000 to the Foundation for the college's student aid program. Mrs. Huntington, originally from East Rochester, came to Plattsburgh State to enroll in the business program. Following her graduation, she taught for more than 20 years in the Rochester School System. She and her husband, who died in 1968, moved to Clearwater, Fla. in 1965.

SLATTERY, SZAMBOWSKI NAMED 'ATHLETES OF THE YEAR'

Plattsburgh State seniors Dominic Szambowski and Anne Slattery were named the Cardinal Booster Club's "Athletes of the Year" at the second annual Sports Night Banquet and Recognition Program held last week at the Angell College Center.

Szambowski, a mass communications major, played four seasons of soccer, earning all-SUNYAC first-team honors last season. He captained the Cards during the past three campaigns. The London, England, native maintained an overall 3.19 grade point average (g.p.a.) while playing goal keeper and forward for the Cardinals. He scored 14 goals and six assists and had a 1.45 career goals against average in his four seasons.

Slattery, a special education major, was named SUNYAC Women's Basketball Player of the Year for the 1983-84 season. The Mineville native averaged 19.6 points a game for the Cardinals last season, ranking 35th in NCAA Division III women's basketball. A transfer from North Country Community College, Slattery maintained a 3.37 g.p.a. while scoring 690 points in two seasons for Plattsburgh State.

Plattsburgh's athletes of the year were cited for their "leadership, sportsmanship, school spirit and consistent superior performance in athletic competition," and for their "aptitude and perseverance in academic pursuits."

Szambowski and Slattery, both members of Omicron Delta Kappa, the national leadership honorary society, each received a framed certificate and an engraved wristwatch from the Cardinal Booster Club. That organization, the College's Alumni Association and its Inter-collegiate Athletic Board jointly sponsored the banquet program, which honored all athletes, and especially graduating seniors.

Booster Club President Bob Wallett presents plaques to Anne Slattery and Dominic Szambowski.

DIRECTOR OF NURSING NAMED; SEARCH FOR PERSONNEL DIRECTOR CONTINUES

Jeannette Coleman, who currently holds the position of assistant professor in nursing at Russell Sage College in Troy, has been named Director of Nursing at Plattsburgh State, effective July 1. Coleman earned her B.S., M. Ed., and Ed.D from Columbia University's Teachers College. Prior to assuming the position at Russell Sage, Coleman served as an associate in nursing education at the New York State Education Department where she planned and conducted site visits and wrote reports for the purpose of continued registration of various programs in nursing education. She also taught at the Columbia University School of Nursing for eight years and has experience in school nursing, private duty nursing, and hospital care as well. She is co-author, with Hilda Koehler, of "Recovery: The Fourth Trimester," a chapter in the *Handbook of Clinical Nursing* and is a member of the nursing honorary society, Sigma Theta Tau.

The search for a personnel director is nearing completion, according to Derek Allan, who chairs the search committee. The final candidate was to be interviewed on May 15 and the committee hopes to make a decision later this week.

OLYMPIC COMMITTEE APPROVES PSUC AS SITE FOR 1985 OLYMPIC ACADEMY

The United States Olympic Committee has selected Plattsburgh State as the site of its 1985 U.S. Olympic Academy. Dr. Ernest Rangazas, who will chair the event, explained the Olympic Academies are the education program of the U.S. Olympic Committee and are held each summer except when Summer Games are held. The Ninth Academy will be held on campus June 26-30, 1985 and approximately 300 participants are expected to take part. Rangazas said that one of the primary topics for the Academy will be the future of the Olympics. He added that one of the primary reasons Plattsburgh was chosen for the first Academy to be held in the eastern United States was the college's proximity to two Olympic sites (Montreal and Lake Placid). He also credited the college's excellent facilities, strong community support and excellent cooperation with ORDA and the Lake Placid Training Center for having favorably impressed the site selection committee, when members visited the campus in November. U.S. Olympic Academies have previously been held at the University of Chicago, Indiana University, Brigham Young University, the University of Oregon, Illinois State, and most recently, Texas Tech. Rangazas said he would be forming various committees to help with the academy very soon.

weekly notes

Dr. Donald D. Adams, professor in the Center for Earth and Environmental Science, was invited to co-chair a special symposium on "Sediment-Water Interaction and Dredging" at a recent meeting of the International Association of Great Lakes Research in St. Catharines, Ontario, Canada. FACULTY SENATE APPROVES WRITING-ACROSS-THE CURRICULUM POLICY

At its last regular meeting for the semester the Faculty Senate approved a policy statement on writing across the curriculum. Briefly, the policy contains four points: 1. that the minimum passing grade for English Composition be 2.0; 2. that all students take a 3 credit hour advanced level writing course, or several upper-level courses in which writing is a principal constituent; 3. that the minimum graduation requirement be 125 hours; 4. that a committee be established to develop guidelines for the new writing courses and to approve courses submitted to it.

The report of the Ad Hoc Committee of the Faculty Senate to Investigate the Implications, Feasibility, and Desirability of Creating a College Senate (the Culver Committee) was accepted. Those parts of the report which can be implemented now (primarily the creation of an Inter-Senate Coordinating Council) will be put into place immediately and the rest of the committee's recommendations will be sent to the Faculty Senate By-Laws Committee.

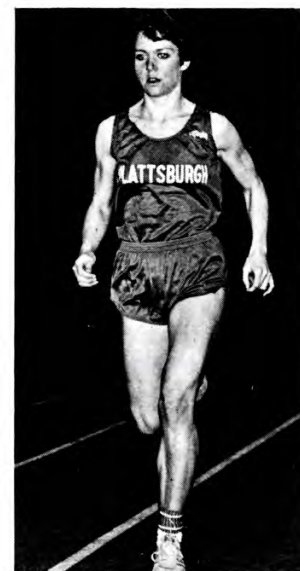

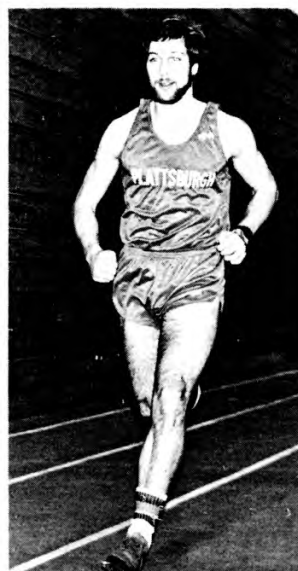

The proposed minor in Business was also approved by the Senate.

SPORTS UPDATE; FERRERI BREAKS SCHOOL RECORD, QUALIFIES FOR NATIONALS

Bill Ferreri qualified for the NCAA Division III Outdoor Track and Field Championships in the 1500 meter run with a school record time of 3:52.99 on Saturday at the New York State Collegiate Track and Field Association Championships at Hartwick College. Ferreri is a junior computer science major from Poughkeepsie. In that meet on Saturday, transfer Andy Hastings took second in the 800-meter race with a time of 1:53.96 and Rob Dickerman finished third in the shot-put with a toss of 47 feet, 8½ inches.

Linda Krasensky was the only Cardinal woman to place in the ECAC Women's Championship held Saturday at Fitchburg State College, finishing fourth in the 1500 meter run with a time of 4:48.3. Krasensky, a junior health education major from Long Island, will also compete in the NCAA's. She qualified for the 3000 meter run in March and last week met the qualifying time for the 1500 as well. Track coach Dick Fischer said, however, that Krasensky will have to choose only one race in which to compete, since both events are scheduled (with qualifiers and semi-final, as well as finals) on the same day.

Fischer added that several other track team members who are close to national qualifying standards will compete in a meet at Union College on Friday in a final attempt to meet those standards. The national competition will be held from May 21-26 at Carleton College in Northfield, Minnesota.

Bill Ferreri and Linda Krasensky demonstrate the running styles that qualified them for the national competition.
